It's not surprising for someone to have a hard time falling asleep
the night before the first date they've been so eagerly waiting for
But if you ask why I am also having a hard time sleeping the night before SooJin's date, it's because...

Maybe it's that? The Irritable Bowel Syndrome?
The thing where your large intestines are affected by your nerves and stress.

Why would I suddenly get a disease I've never got before?

Has the medicine worn off?

I don't want to say I need the toilet. What do I do?
It'll take a long time!!

Unni, are you okay?

Ruri-ya, I see you want to go to the washroom?
Eh? Not really...

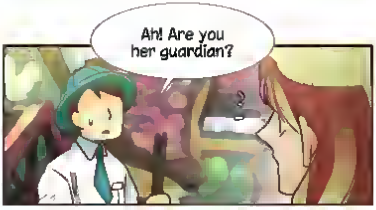
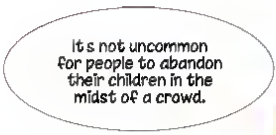
Unni!



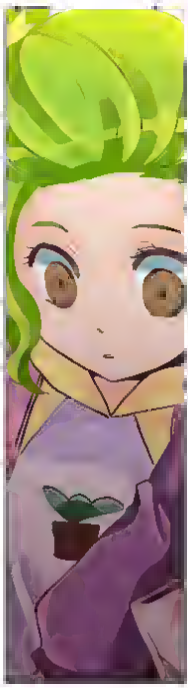
Ah! Are you her guardian?

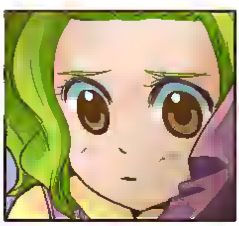
You got a problem with that?
Stranger Wary Mode On

Ah! No, the child was sitting there alone so I thought she was lost.
And our economy has it hard these days...



It's not uncommon for people to abandon their children in the midst of a crowd.

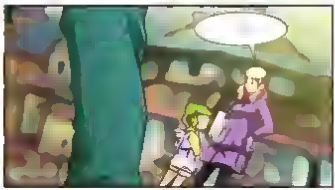




tighten

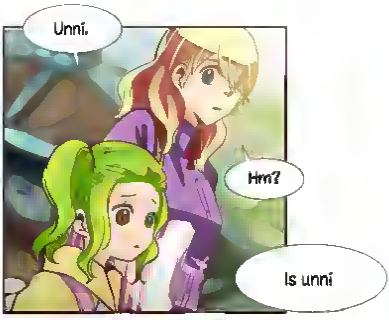
Anyways, it's a relief that her guardian is with her.

Please enjoy your time at World Tree Land.

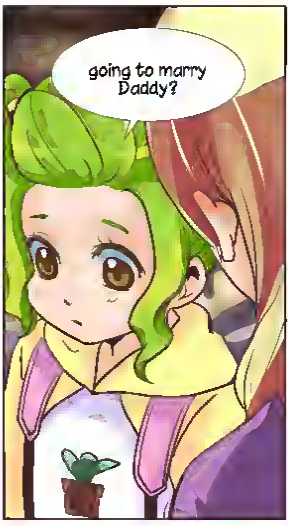


Why would he say such depressing things?

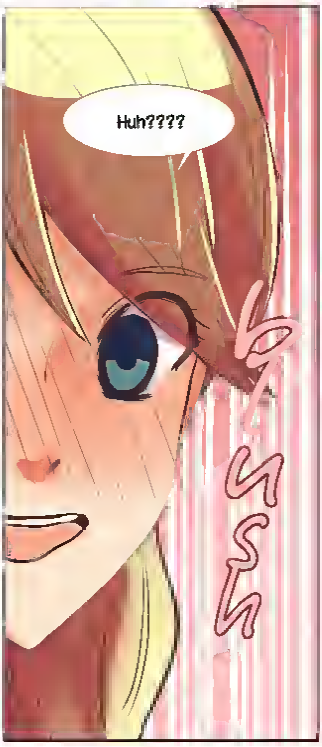
Some people just can't keep their mouth shut.



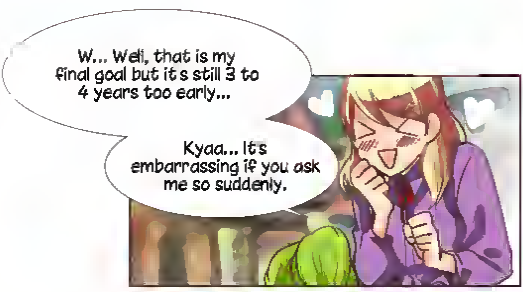
Unni.
Hm?
Is unni



going to marry Daddy?



Huh????
Kyuush



W... Well, that is my final goal but it's still 3 to 4 years too early...
Kyaa... It's embarrassing if you ask me so suddenly.

Then...
Will unni become my mommy??
Eh?
T... That s...

I'm okay with unni being my mommy.

What the readers don't know

Surprise Fact - When Ruri gets hyper, she starts speaking in some alien language

Just speak English!

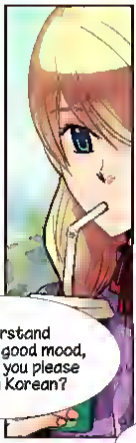
T/N. SHE'S SPEAKING UNINTELLIGIBLE GIBBERISH.



Mother... Not that I've never thought about it...
But now that she's made it sound so imminent, it doesn't seem real.
Plus, what does she mean by it's okay even if unni is mommy?
It's totally different from saying "I wish you were my mother"
Is she saying I'm okay as a substitute cause she doesn't have a choice?
Let's not get too carried away with something like that.
It might be because Ruri's Korean is bad...
mgmm

Anyways, a mother at this age...
Poke
And we're only five years apart...
It's not that I don't like Ruri...
No... I'm almost thinking that she might be better than a daughter that takes after me...

Just playing together and actually raising a child are two different things!!

So bother-some.

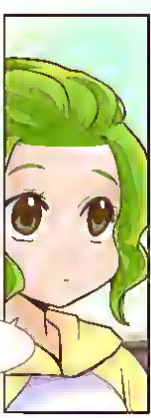
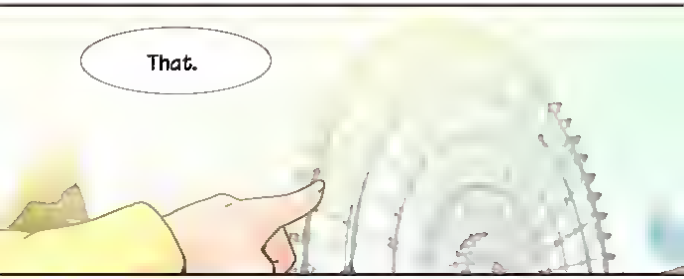
Ruriya, why don't we go for something more relaxing for now?



Mm... Then...

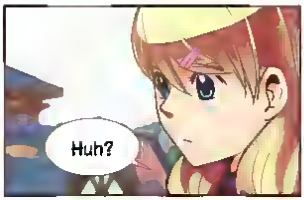


Dear, Only You Don't Know!

season2

Women, Hide Your Age! 19

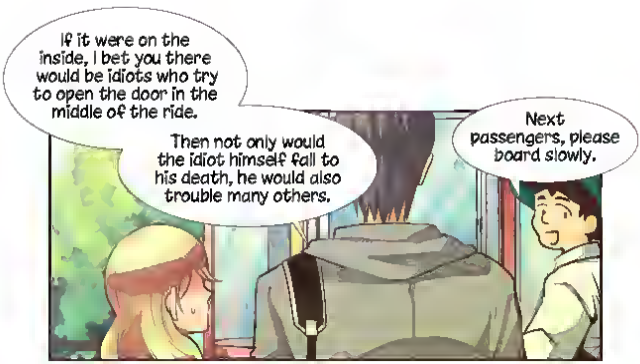
It's high but it's not fast so it should be okay.
Wow~ I've never been on a Ferris wheel.



Huh?

Have a great time.

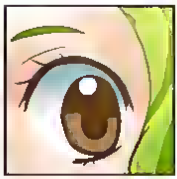
The staff locks the pods from the outside.
CLACK



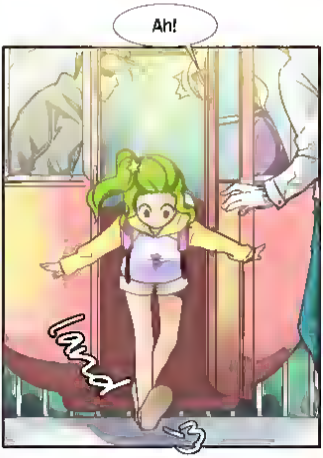
If it were on the inside, I bet you there would be idiots who try to open the door in the middle of the ride.
Then not only would the idiot himself fall to his death, he would also trouble many others.
Next passengers, please board slowly.

Ruriya, be careful.
Okay.

I'm a bit worried about my stomach but I just took the medicine so I should be okay until we get off, right?

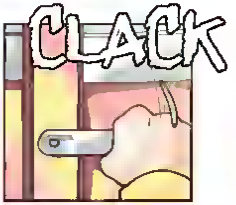


dash

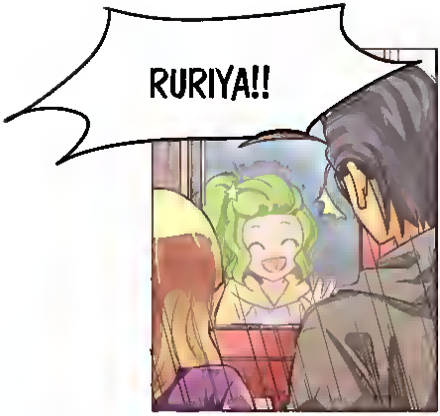


Ah!
Ahhh

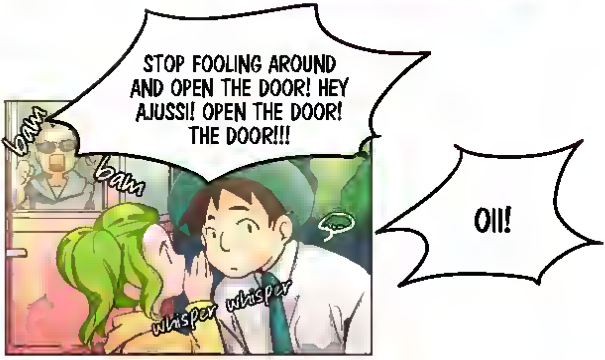
SHUT



CLACK



RURIYA!!



STOP FOOLING AROUND AND OPEN THE DOOR! HEY AJUSSI! OPEN THE DOOR! THE DOOR!!!

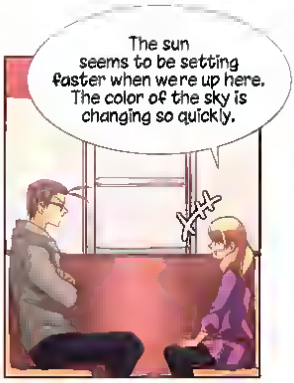
Screw the OK crap

Have a great time.
OI! WAIT!!

OII!!!

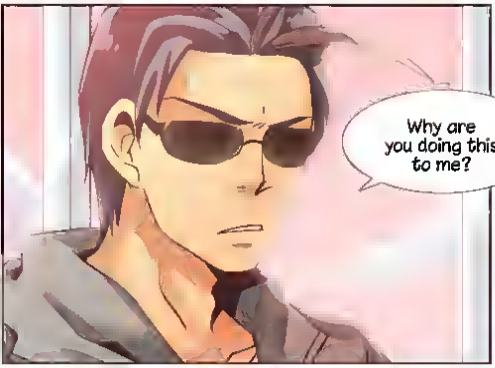
Now that we're alone, it's a bit awkward.
Ahh



The sun seems to be setting faster when we're up here. The color of the sky is changing so quickly.
Hmm

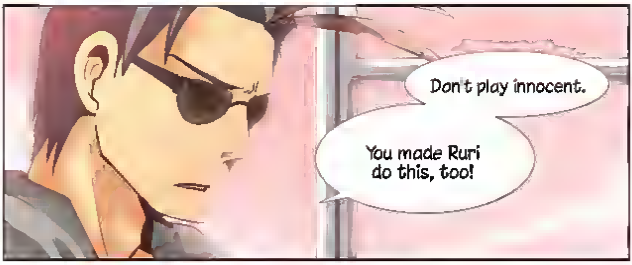
Silence
Ahh

Wow, down there!
You.



Why are you doing this to me?

What do you mean why?
What did I do?



Don't play innocent.
You made Ruri do this, too!

shout
IT'S NOT LIKE THAT!
Then why is Ruri doing something like this?

That's...

...

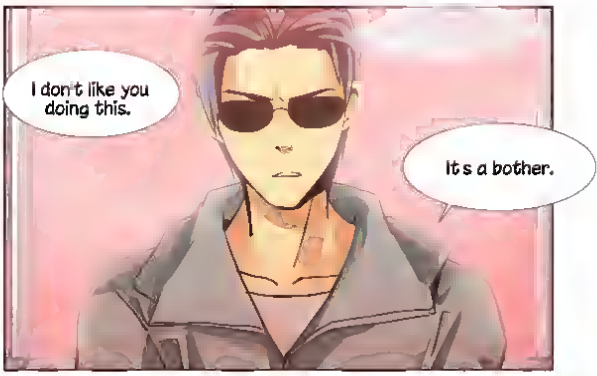
I thought she was just prattling... I didn't realize she'd be so forthright.

But there's nothing I should feel guilty about.

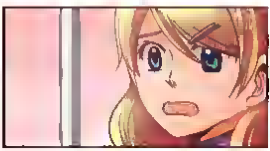
Im okay even if unni is my mommy.

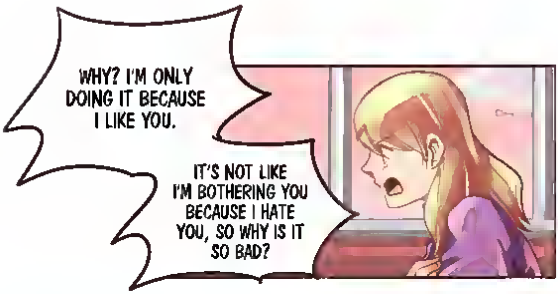
But why do I get the feeling that I shouldn't tell him?

I've told you before,



I don't like you doing this.
It's a bother.





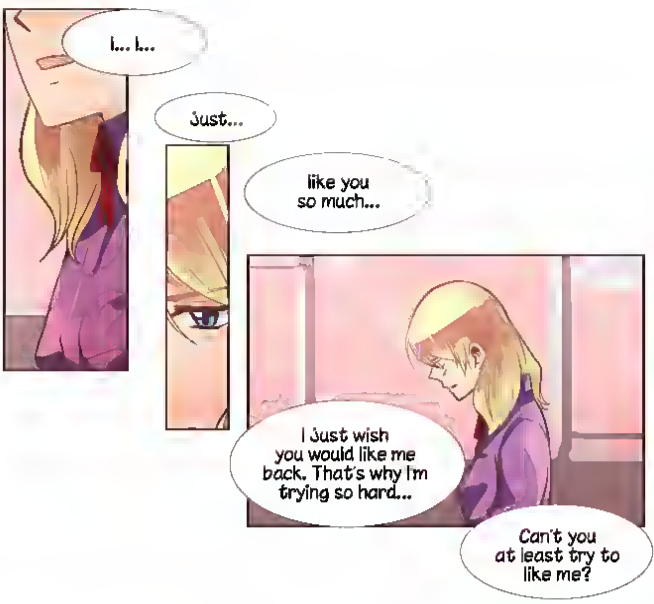
WHY? I'M ONLY DOING IT BECAUSE I LIKE YOU.
IT'S NOT LIKE I'M BOTHERING YOU BECAUSE I HATE YOU, SO WHY IS IT SO BAD?

You think only about what you like, but not about other people!

I've told you plainly enough that I already have someone in my heart, so do you know how uncomfortable it makes me when you keep doing this?

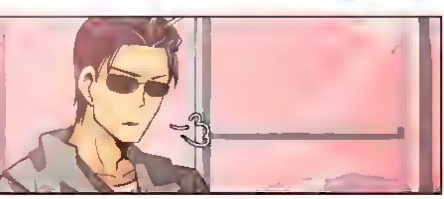
Persistently forcing your affection on me like that...

How is it different from bothering me?

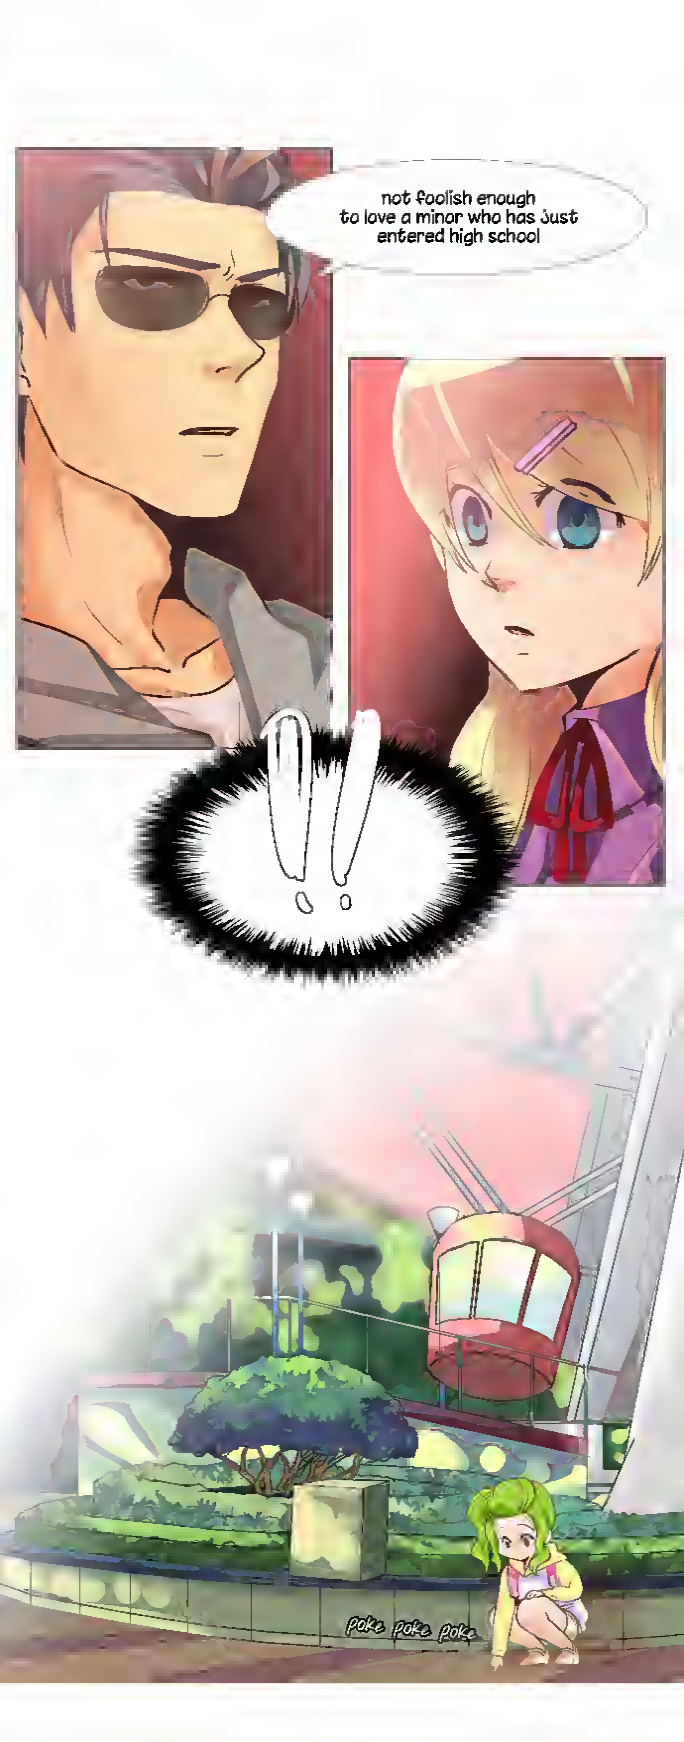


I... I...
Just...
like you so much...
I just wish you would like me back. That's why I'm trying so hard...
Can't you at least try to like me?

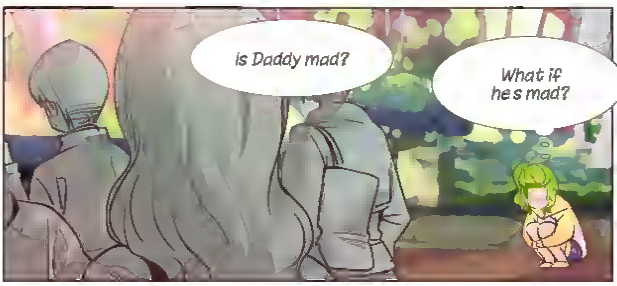
Why can't it be me?



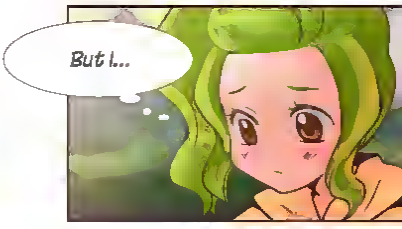
I'm...



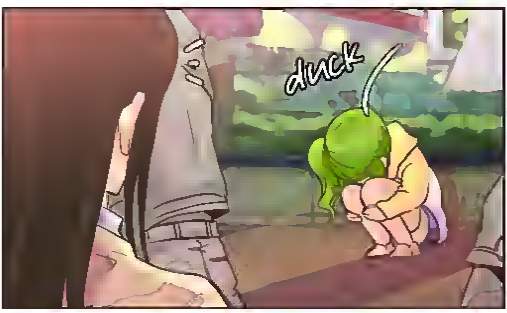
not foolish enough
to love a minor who has just
entered high school
!!
Poke Poke Poke



Is Daddy mad?
What if he's mad?



But I...



duck

Little girl, is something wrong?
Are you perhaps lost?

Is Mi-unni mad because I'm late?
No. She's just talking to SooJin.
Could it be the college student you were talking about?
I see! Where to?
SooJin... as in Mi-unni's little sister?
What could they possibly be talking about?
Who knows. She must be worrying unni again
Hasn't she just entered high school?
Considering the age gap, Mi-unni must have practically raised her.
They only have each other so she did raise her.

I don t know the details,
but I heard her sister got in an accident in the past so she s particularly sensitive.
President told me before.
What accident?
I don t know that much.
Mi-unni usually doesn t talk about her past.

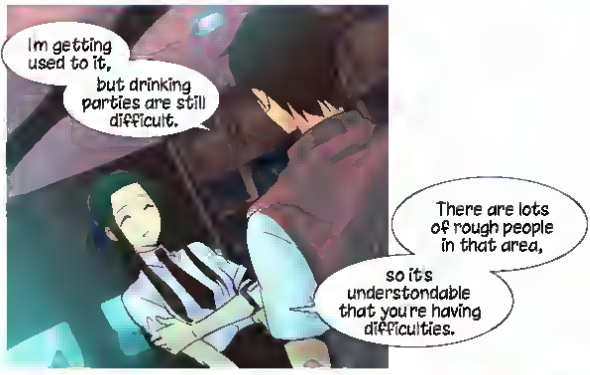
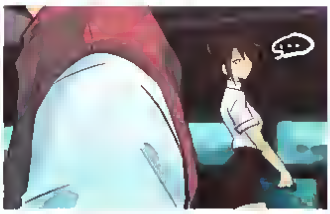
Season 2

Women, Hide Your Past! 9



Im getting used to it,
but drinking parties are still difficult.
There are lots of rough people in that area,
so it's understandable that you're having difficulties.



place
Shihan-ssi these days...

Isn't he softer, for some reason?
What?
Yes!! Right Right!

His speech and actions are still so cold,
but he responds to people better than haw he used to.
He doesn't take jokes seriausly,
and most of all,
the way he looks at you is kinder.

Although I liked his piercing cold eyes in the past, too///

I could almost smell the scent of cool water in the air

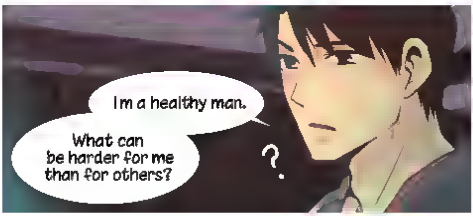
What's there to like.

Those were just eyes looking down on a person!!

I don't expect much from a jerk who goes on and on about women selling alcohol.

You shouldn't even talk to guys like that!

But you're still amazing.
You're having a harder time than others, but you don't let it on.



I'm a healthy man.
What can be harder for me than for others?

Really?

Then I guess you're really alright now.

I've kind of given up because it's already been so long.

Last time...

I lost it when I came here drunk.

Ohh. That really was a long time ago.

You haven't got one since then. That must have been a bother.
It wasn't in the shop, where can it be...
I must have lost it before then.

Korean Honorifics Lesson!

Oppa - A friendly way of addressing an older man near your age if you're a girl
Oppa is also used (though not synonymously) by girls addressing their boyfriends

Nim - A formal way of addressing someone typically older and/or more respected than you

Ssi - A formal way of addressing someone you do not know or are unfamiliar with

Nuna - A friendly way of addressing an older woman near your age if you're a guy
Nunim - A more respectful way to say nuna

Hyung - A friendly way of addressing an older man near your age if you're a guy

Unni - A friendly way of addressing an older woman near your age if you're a girl

Ajumma - Older woman typically aged between mid/late 30's ~ early 50s. Calling someone younger than mid 30's this is rather offensive

Ajussi - Older man typically aged between mid/late 30's ~ early 50s. Korean men, especially those in their 30s prefer to be called hyung/oppa by those younger than him rather than Ajusshi

Sunbae - Is used to address senior colleagues or mentor figures e.g. students referring to or addressing more senior students in schools

Hubae - Is used to refer to juniors. However the term is not normally addressed to them directly, and is mainly used in the third person
This is nearly identical in Japanese with Senpai/Kohai honorifics

Naeuri - Was used by commoners in the Joseon Dynasty to refer to people of higher status but below "His Excellency"

Seonsaeng - Commonly translated as "teacher", has much more formality and is used to show respect to the addressee. It is related to the Japanese honorific "sensei" and shares the same pair of Chinese characters representing 'mister' or 'one born earlier' (literal)

It's about time you learn them!

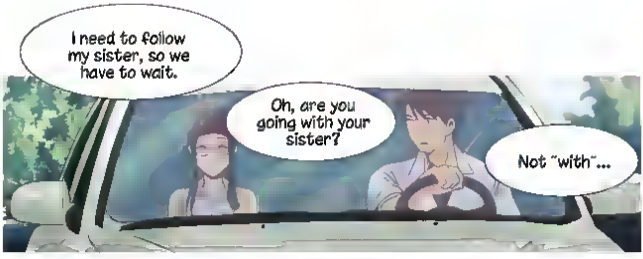
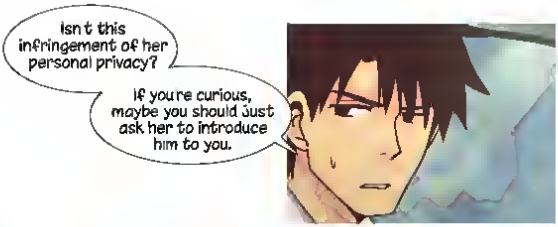
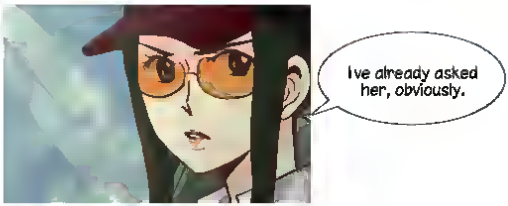
Girl's High School Dorm



Follow.
Huh?
Actually, my sister is going on her first date today.
I've only heard about him, so I'm curious what kind of person he is,
and if he tries to make a move just because he's her boyfriend...
I'm going to bury him.
Fufufufufu
Bury?????



Isn't this infringement of her personal privacy?
If you're curious, maybe you should just ask her to introduce him to you.



I've already asked her, obviously.

No!
No! Never!!
No!!
But she refused quite flatly.

There must be something fishy that she's hiding from me.

Well...

I'm sure introducing a beautiful elder sister to her boyfriend...

would have been a concern.

Oh my, ShiHan-ssi~

We're talking about SooJin's boyfriend. There must be a huge age gap between us.

smack smack smack

Speaking of which, just how old is this person?

knock knock

EXCUSE ME! THIS IS A NO-PARKING AREA!

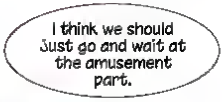
Ah? But your sister...



I think we should just go and wait at the amusement part.

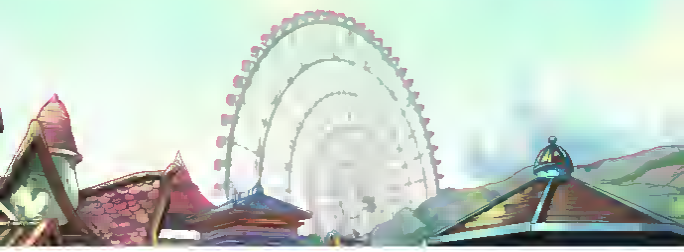
Women, Hide Your Past! 11



I don't think we'll be able to just spot her easily...
thud
You're right.
It might be funny for me to say this after I've followed you all the way here,
but no matter how worried you are about your sister,
I don't think this is right.
Isn't it better to forbid her from going in the first place?

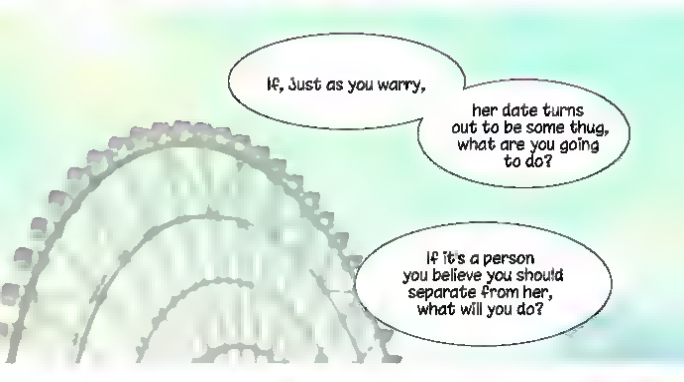
That's...

I'm worried, but I don't want to be disliked.

When you love someone,
you want to be a good person in their eyes.

...

You're too selfish.



If, just as you worry,
her date turns out to be some thug, what are you going to do?
If it's a person you believe you should separate from her, what will you do?

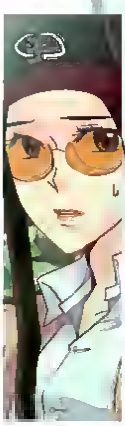
In the end, you have to give up on one.

But if it's really someone that's not right, of course I will interfere.
That is for SooJin's future.

SooJin isn't stupid, so she'll understand my feelings.

Well, she'll never understand.

Love makes people stupid
and affects their logical judgment.



Are you speaking from your own experience?
No.
It's not from my experience, but...
I heard there was someone like that.

I guess it really would be hard to find someone in a place like this.

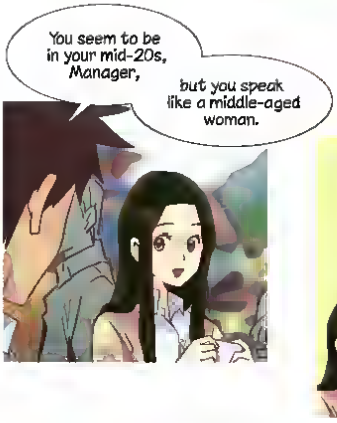
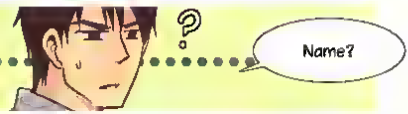
Ah~ I feel younger playing like this again.

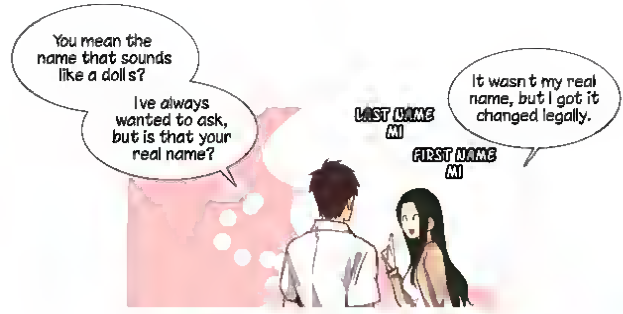


You seem to be in your mid-20s, Manager,
but you speak like a middle-aged woman.

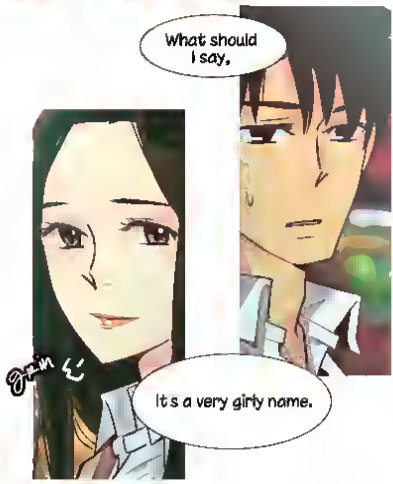
ShiHan-ssi, stop calling me Manager.
Call me by my name.



Name?



You mean the name that sounds like a doll's?
I've always wanted to ask, but is that your real name?
It wasn't my real name, but I got it changed legally.
LAST NAME MI
FIRST NAME MI



What should I say,
It's a very girly name.

A boy might fancy it. You never know.

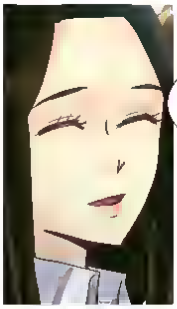
How have you been?

The same as always.
It's so hard to see you.

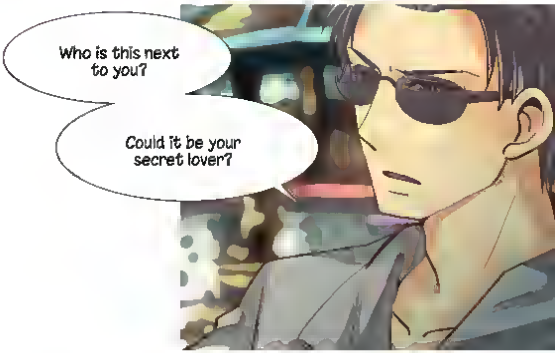


You must be busy these days.

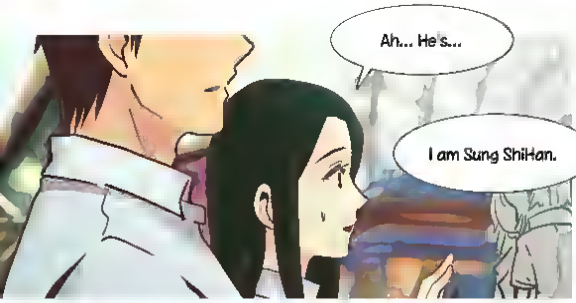
Well... Not that I'm busy...

Come to think of it, I haven't gone for a long time.

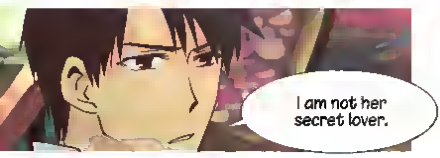
What's with this guy?



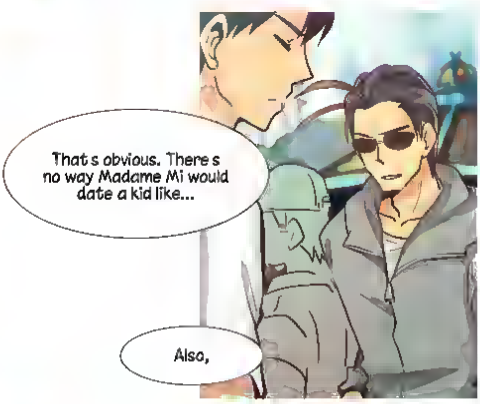
Who is this next to you?
Could it be your secret lover?



Ah... He's...
I am Sung ShiHan.



I am not her secret lover.



That s obvious. There s no way Madame Mi would date a kid like...
Also,

Your calling her madam may come off the wrong way to some people,

so I would like you to refrain from addressing the manager that way.

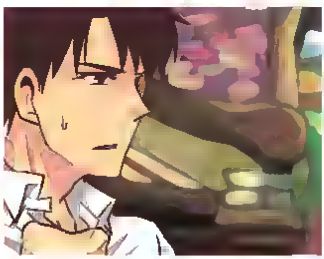
WHAT DID YOU SAY?
THE PERSON HERSELF ISN'T SAYING ANYTHING ABOUT IT, SO WHO ARE YOU TO TELL ME WHAT TO DO?
You may be the only one calling her that, but there are many people who can hear you.

Also, not everyone takes it the way you intended.

ANGER

WHY YOU!!
Both of you, calm down.

ShiHan-ssi, I don't really mind what people call me.
Please don't get mad about something like this.



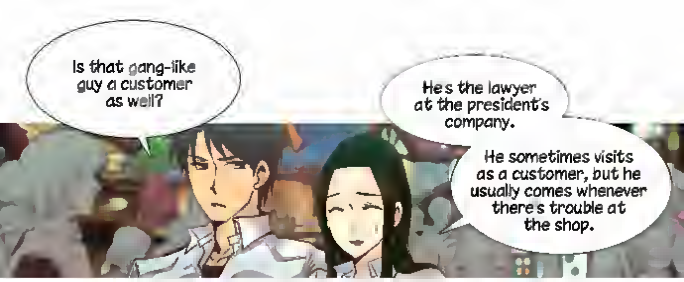
Manager might be okay with it, but I don't like it.

I understand your concern,
but Mr. Ian didn't mean to offend, so please stop being over-sensitive.

You should calm down, too, Mr. Ian.

release

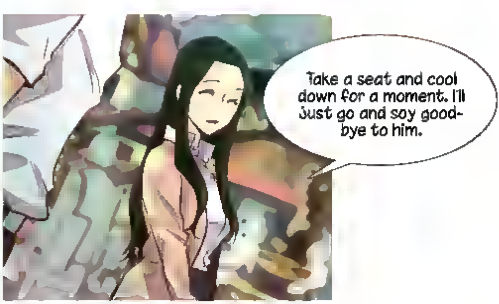
Tsk.



Is that gang-like guy a customer as well?
He's the lawyer at the president's company.
He sometimes visits as a customer, but he usually comes whenever there's trouble at the shop.

Also, he may not look very nice, but he's actually a good person.

He's just lacking in subtlety by about 2%.



Take a seat and cool down for a moment. I'll just go and say good-bye to him.

Dear, Only You Don't Know!

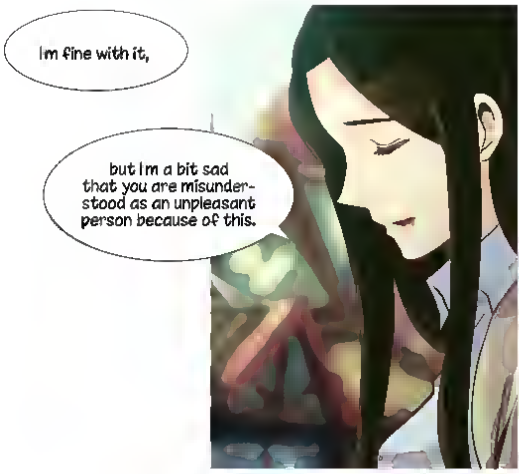
season 2

What's with that rude kid?

It's not like that.
He's just on the sensitive side.

...

Do you... really feel bad?...
About... me calling you madam...



I'm fine with it,
but I'm a bit sad that you are misunderstood as an unpleasant person because of this.

Anyways, you wouldn't have come here alone...
Would you happen to be here on a date with that young lady I've heard about?

!?

H...HUH?? WHAT ARE YOU TALKING ABOUT?!
I hear many rumors when I'm working at the bar.
I've even heard that there's a young lady going in and out of your house these days.
No, no, it's not like that...
Oh? Then could she be your roommate's lady friend?

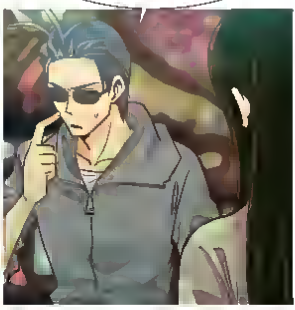
SeoJin? How would a dork like him bring a girl home?

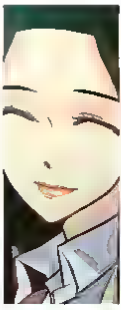
She's just...

She's just hanging out with Ruri. Even today, we came together with Ruri.
Oh... I see.

Um...

W...Would you happen to be here with just that kid?





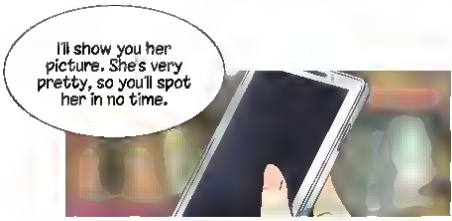
We did come on our own, but I'm here to find my younger sister.

Oh, that kid you used to take to the hospital all the time?

Wow, that was a long time ago, but you still remember.

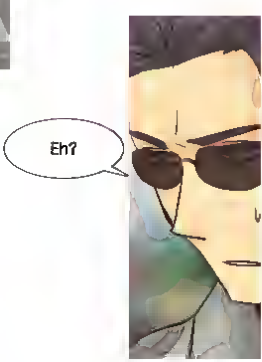
Well, she was so shy she was always hiding herself so I only remember the back of her head.

If you happen to see her, could you secretly give me a call?



I'll show you her picture. She's very pretty, so you'll spot her in no time.

Where was it?



Eh?

Ehh?

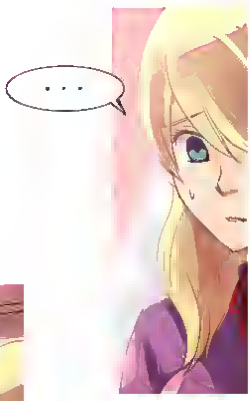
I'm...

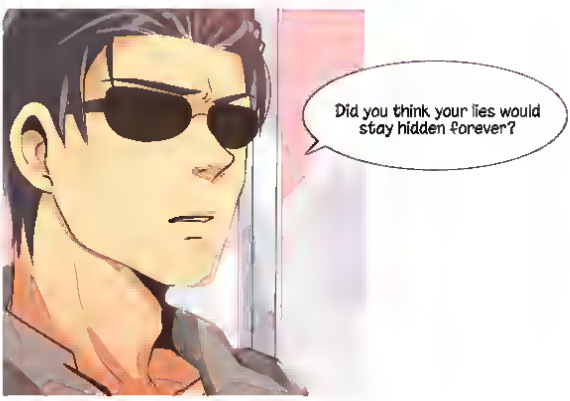
not foolish enough to love a minor
who has just entered high school.

Dear, Only You Don't Know!

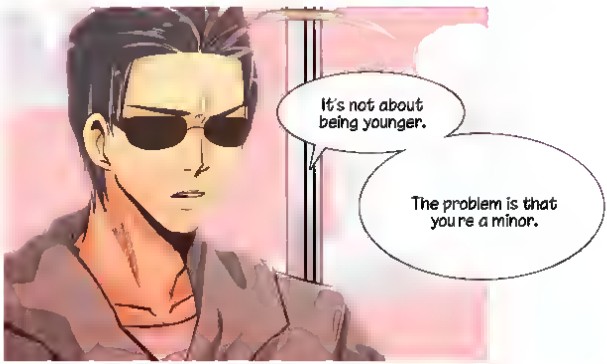
season 2

Women, Hide Your True Age! 20

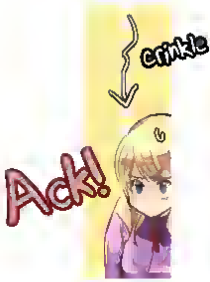


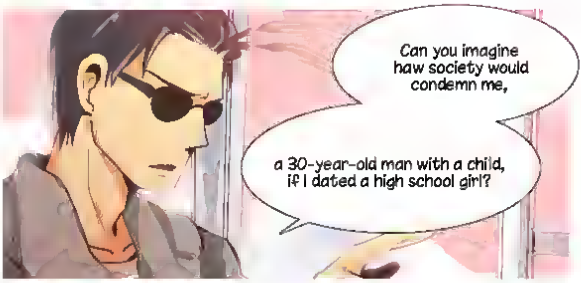


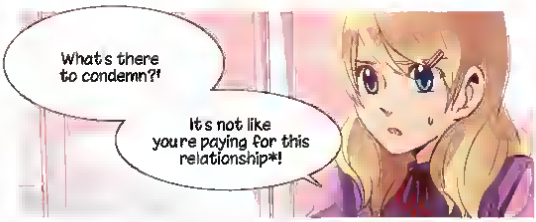
Do you hate me because I'm younger than you?



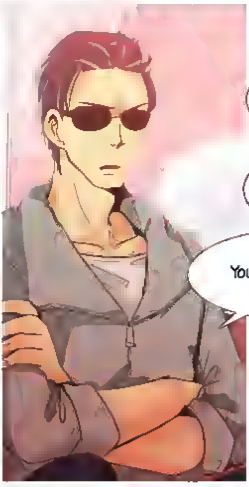
It's not about being younger.
The problem is that you're a minor.





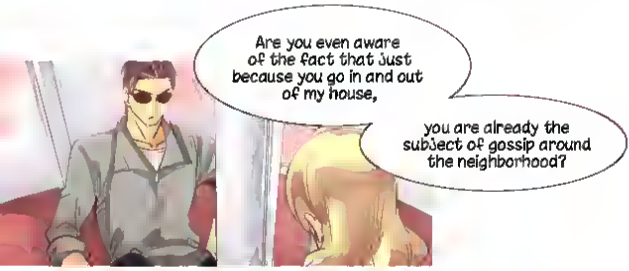


*T/N: IT'S A STIGMA FOR ADULTS TO DATE MINORS IN KOREA. ALSO, A SEXUAL RELATIONSHIP WITH A MINOR UNDER THE AGE OF 13 IS PUNISHABLE BY LAW EVEN IF IT HAS BEEN AGREED UPON BY BOTH PARTIES. IN MOST CASES, WHEN AN ADULT DATES A MINOR, PEOPLE SUSPECT IT TO BE "COMPENSATED DATING"...IN WHICH THE ADULT PAYS THE MINOR FOR A SEXUAL RELATIONSHIP



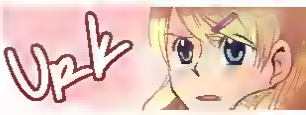
So you're saying your feelings are pure and honest,
and people who take your love the wrong way are the messed up one?
You really believe that?

To top it all, why do I have to go around hearing things like that to begin with, especially when I have no feelings for you whatsoever?
And what about Ruri?! You think you can handle all that?



Are you even aware of the fact that just because you go in and out of my house,
you are already the subject of gossip around the neighborhood?

Or, maybe you don't think it's your business to worry about
whether I'm being socially criticized?



Uh-h

Then what can I do?
If I didn't try at least this much,
you wouldn't even look at me.
What other options do I have?!!
Now that, right there,
is not my business.

It's okay if you cry.

But I won't console you.

I should at least listen to your resentment.

I won't cry.
I don't resent you.

I can't do something like that...

You're just bluffing...

Please exit slowly and carefully.

Are you crazy? Why do you trap people in such a small compartment?!
It wasn't me. Your daughter...
When a customer tells you to open the door, you should open it!

Oppa.

I... probably won't be able to give up on you.
Even if you think I'm bothersome, I'll keep chasing you around.
But I won't force myself directly on you anymore.
I'll quietly stay by your side until I become an adult, so...
Don't hate me.
Oi...

AJUSSI!!

I'M TAKING ANOTHER RIDE. CLOSE THE DOOR FOR ME.

I had to clear up some things.

Of course, some people have a strong sense of pride.
I'm not saying that's bad.

Techniques of seduction?

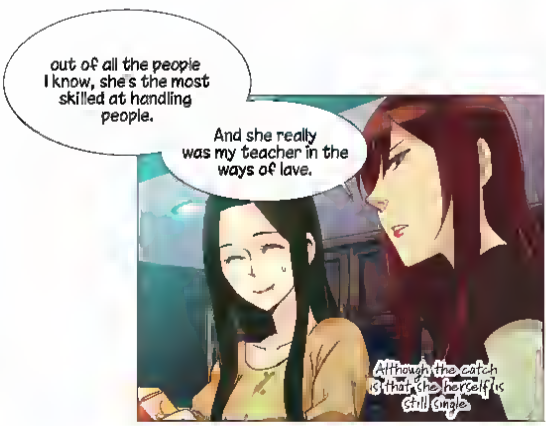
Why are you asking me that?
You're the one who brought it up.
Please tell me.
Wait!
Well, but my case wasn't really normal.
Also, the process was super long.
It won't help you all that much.

But there's someone who can teach you a thing or two...

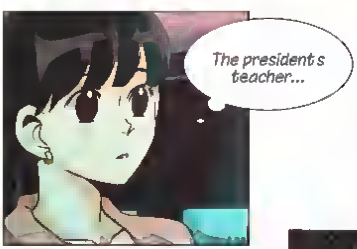
Hmm. I can't really say it is a technique of seduction,
but I do have some tips for getting closer to somebody.

Don't tell me that tip is in the looks?

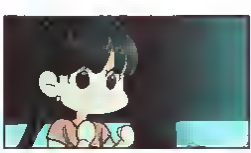
President, that face is cheating!
Regardless of the trick, any man will fall for a face like that!
Give me something to drink
While I won't entirely deny that,



out of all the people I know, she's the most skilled at handling people.
And she really was my teacher in the ways of love.
Although the catch is that she herself is still single.



The president's teacher...



Please take care of me!
So what kind of skills are there?
Well...
It depends heavily on what kind of person the other party is,
so there is no set answer.
But the general process and faux-pas are more or less the same.
First,
you should give off an easygoing* impression by talking to him first.
Theory
Yet, you have to lead the conversation in a way that you're mostly listening.

T/N: REMEMBER YOUR FAVORITE SCANLATORS. EASY GOING SCANS!

"Easygoing", as in nice and friendly,

not in the sense that implies loose behavior.

The problem is, there are people who see no difference between the two.

It's true that some are attracted to haughty women,

but they would only make few attempts before distancing themselves because they find these women hard to handle.

If you seem nice and approachable to a man, he will open up to you little by little.

Nice and approachable, huh...

Thank you. Come again.

Start a conversation in which I do most of the listening??

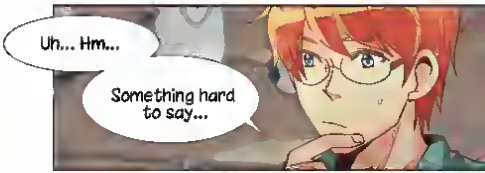
So, what exactly??
Anything!!

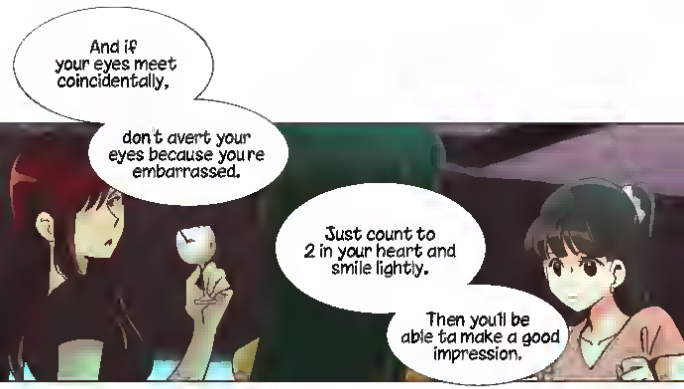


Uh... Hm...
Something hard to say...

Actually, I was worrying about how to bring this up...
Yes! What is it?

Giving off an easy-going impression FAIL

Second
is eye contact.
Theory
Eye contact?
It's amazing how you'll feel warm and fuzzy when you look into somebody's eyes for a long time.
It looks scary if you widen your eyes too much, so relax a little...
hup!
Also... Don't just shift your gaze, or it'll look like you're glaring.
daze
Move your head along with your line of sight.



And if your eyes meet coincidentally,

Theory

Third,

only convey half of your feelings.

There may be people who'd rather do things alone,

but in general, no one would hate people who always help and take care of them.

But if that goes overboard, it gets overwhelming.

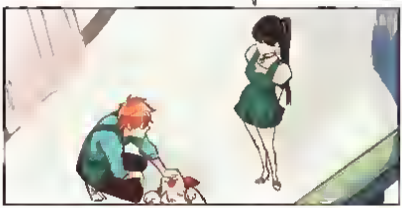
It's best to start off with 50%, then adjust the ratio gradually.

In other words...

Don't go all out?

Hey SeoJin,

Got any plans for lunch?



Hm? Well... I think I'm just going to have ramen.

Right? Right?
Riiighht???!!
I knew it!!
Nuno, you look really happy for some reason.
Are you that happy about me eating ramen?
I brought your share...

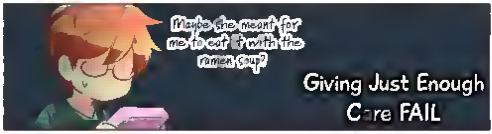
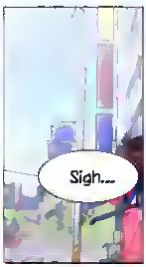
Whip
What about me?
Uwah~ I'm so grateful.
Here you go.
Thank you for the food.
Open

T/N: "BAHP" MEANS RICE IN KOREAN, BUT WHEN KOREANS SAY "LET'S GO EAT BAHP", WHICH LITERALLY TRANSLATES TO "LET'S GO EAT RICE", THEY ACTUALLY MEAN "LET'S GO EAT FOOD". BUT IN THIS CASE, IT REALLY MEANS RICE, AS ARI DIDN'T PUT ANY SIDE DISH IN THE LUNCH BOX.





Hmm?
Who posted something like this on the shop window...?
Ah, nuna, you're early.
What are you reading?
What is this? This announcement seems like a threat.
zing this year's Unity Camp:

PS Participation is not mandatory but the president will be very disappointed if you cannot attend.
That PS sounds scary.

I don't really like being with too many people, but...

Hmm... Most tenants probably won't bring guests.

This might be a chance!!

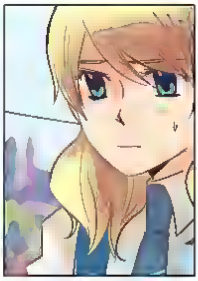
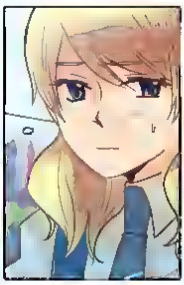
Why is the embarrassment our burden

T/N KOREANS REFER TO PHYSICAL DISCOMFORT CAUSED BY EMBARRASSMENT AS CURLING OF THE FINGER AND TWISTING OF THE BODY

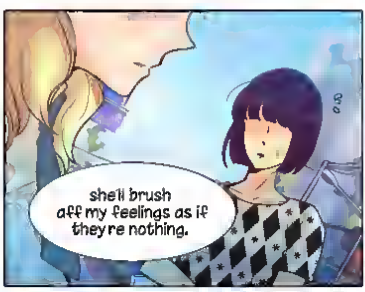
You speak as if you have completely matured.
Well, I'm sure I'll be embarrassed of my current self 5 years from now.
Because today is tomorrow's dark history

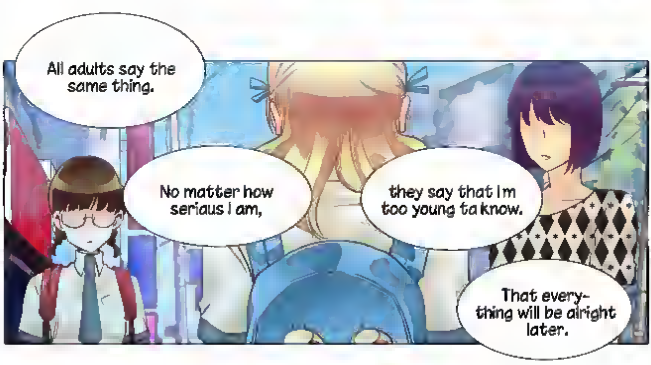
I don't want your sister to worry, SooJin.
I don't want you to argue with her over something like this either.
I won't tattle on your love problem to your sister,
but there's no use throwing a tantrum at me about this.
You must get permission from your sister after explaining everything to her.

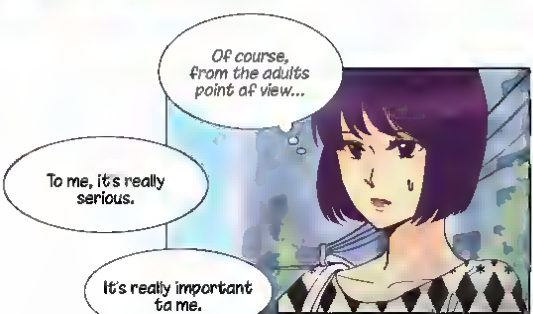




Even if I tell her,







But they won't even try to understand,
so how can they say they know?

SooJin, did something happen between you and your sister?

Fine!

What a pity.

I m so sorry, Seln-ssi.

Awww...

Don t know who you are, but I'm sorry, SooJin s sister.

I'll bring her back in one piece(?).

And this is how SooJin managed to join the Unity Camp with no trouble.

Also...

Unity Camp?
I'll take you if you want to go.
I'm allowed to take up to 2 people, too.
Wahh!! Really? I thought you were too popular so I didn't think of asking you...
It's not like we're going to play. It's an official Unity Camp.
And all our members are going anyways.

I didn t know who to bring so I simply didn t ask anybody.
Why .. didn t I think of this?
If it's like this,
I'd rather a storm comes that day!!!

JinHui, dying for a cigarette, sends ByungGoo on an errand. She runs into SangYeon and ChaeRim again and realizes that she is the 'master' they were talking about. (Ch58)

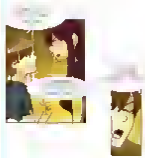
JinHui, trying her best to avoid SangYeon and ChaeRim, smokes in secret, but thanks to fortune's mischief she runs into SangYeon again when he's in a fight with SiBaeks gang. She hides to quietly pass the time, but her 'Screaming Humanity' ringtone gives her away. (Ch58, 59)

Under ChaeRim's instructions, they wander around the apartment blocks and run into JinHui. They exchange numbers, and run into SiBaeks company by chance after parting ways with JinHui. (Ch55, 56 ,57)

SiBaek tries to avenge his defeat from several days ago, but is utterly beaten again. In the end, he mobilizes his company and gang up on SangYeon. With the sound of 'Screaming Humanity' theme song...JinHui makes her entrance. (Ch56 ,57, 58, 59)

When SangYeon is in danger, ChaeRim calls out, "Master-nim, help us! JinHui feels guilty and helps out in the end. (Ch59)

Having found out the entire truth, SangYeon starts stalking JinHui. (Ch55)



Ari has an encounter with her ex-boyfriend and ex-coworker HanHo while having a meal with NaYoung, and she remembers what happened before she left the company. She returns to the pet shop afterwards, and almost injures herself while cleaning up, but is saved thanks to SeoJin's reflexes. (Ch52)

6 months after Sein grew close with Guardian, they head to an after party, and NaYoung feels threatened by Sein's true feelings about SuHo. (End of Ch53)

JinHui, NaYoung and Ari are talking at a cafe, and Ari's feelings toward SeoJin is found out. JinHui gives her advice when Ari tries to close up her heart because of her ex-boyfriends. (Ch54)

Ari wants to get closer to SeoJin and meets Mimi, JinHui's love mentor. She applies some of Mimi's theories to reality, but they do not work out.

That's when she sees the Unity Camp Announcement. (Ch55)

And now onto the Unity Camp Go! Go! >>

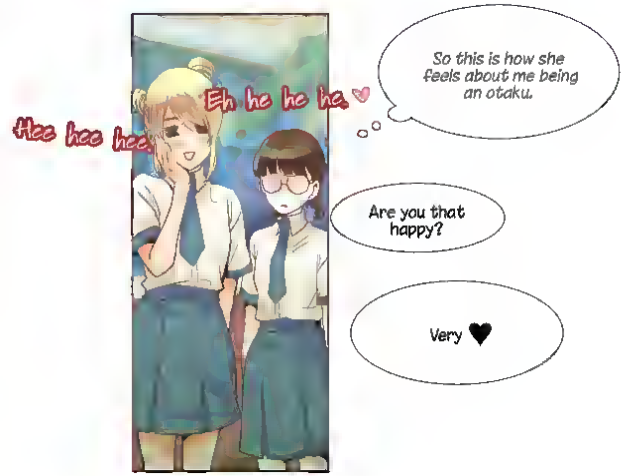
Hehehehehe♥
Ehecheehee
Feehe



Eh he he he♥
Hee hee hee
So this is how she feels about me being an otaku.
Are you that happy?
Very ♥

Since I can't go to oppa's house anymore,
it's been a while since I've seen him up close.
Huh? You can't go to Ruri's anymore?.
flinch

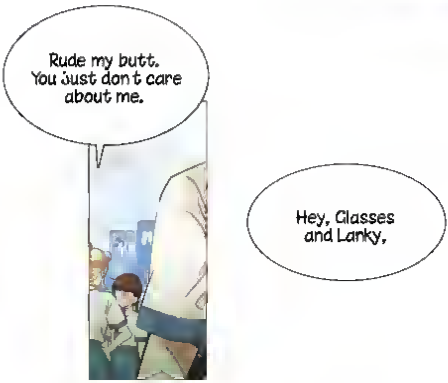
It's been a long time since I last visited!
I haven't dropped in ever since the last date...

Ah, really?

Annoyed
Why? Did the date go wrong?

YOU'RE ASKING THAT NOW?
You didn't say anything about that so I forgot all about it.
It's not like I can worry about your love life 24/7.

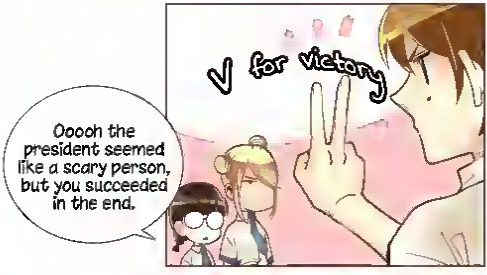
That's true, but you should at least show some concern.
Why do you never ask about me unless I bring it up first?
Even if I am curious, it's rude for me to keep on bothering you about it.
And again, I've forgotten all about the date because it's been such a long time.



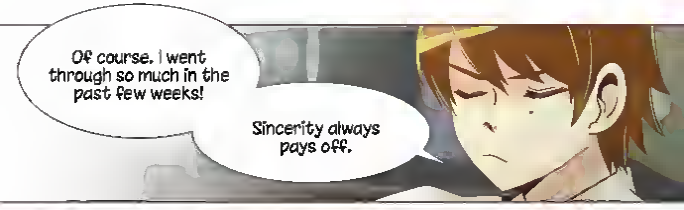
Rude my butt. You just don't care about me.
Hey, Classes and Lanky,

Have you found a way to go to the Unity Camp?

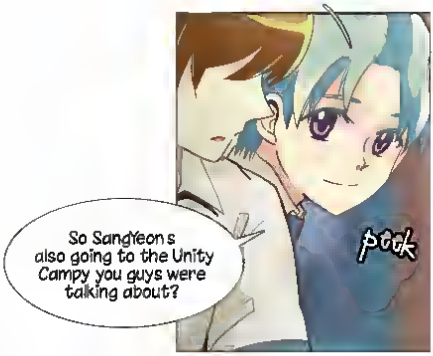
I think we can go. What about you?



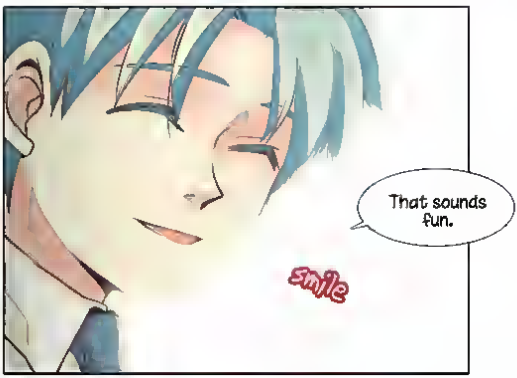
V for victory
Ooooh the president seemed like a scary person, but you succeeded in the end.



Of course. I went through so much in the past few weeks!
Sincerity always pays off.



So Sangyeon s also going to the Unity Campy you guys were talking about?
Pook

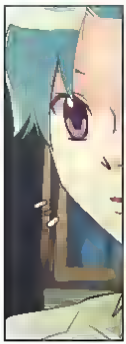


That sounds fun.
Smile

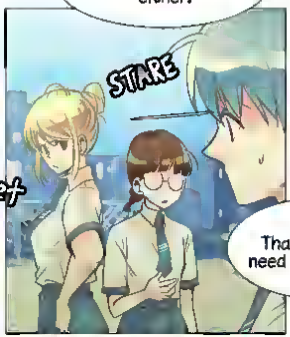
It would be great if you could come too...
Hehe

No way. You think just anybody can come?

It's a Unity Camp for the tenants.



We're not tenants either.

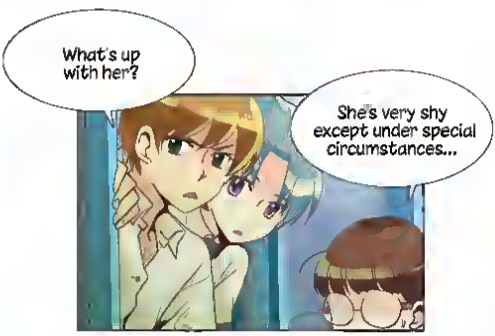


That's why you need connections!

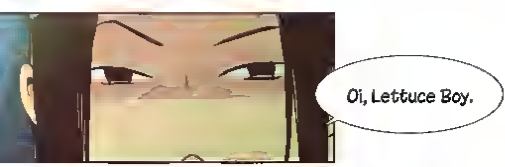
Or you could just beg like I did for several days and nights.

I'm leaving now.
Spin

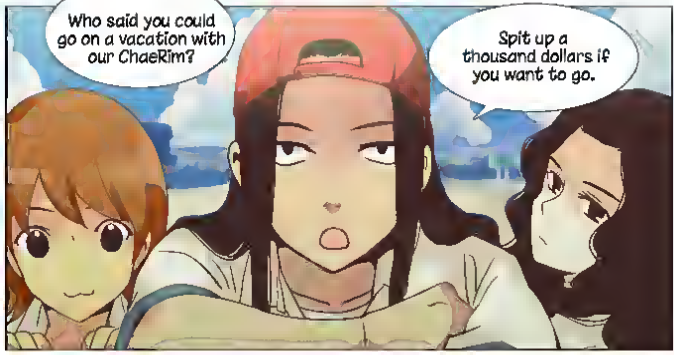
Humph!



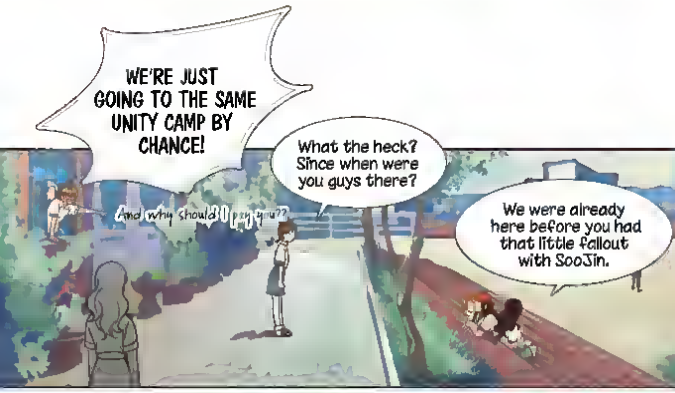
What's up with her?
She's very shy except under special circumstances...



Oi, Lettuce Boy.

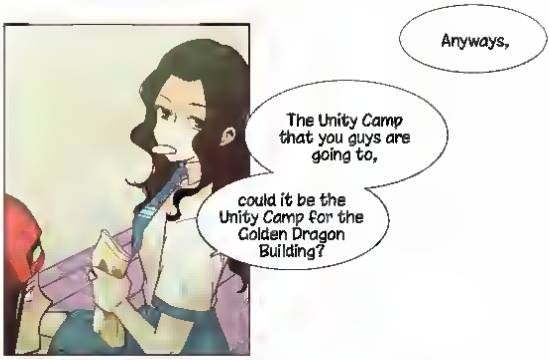


Who said you could go on a vacation with our ChaeRim?
Spit up a thousand dollars if you want to go.

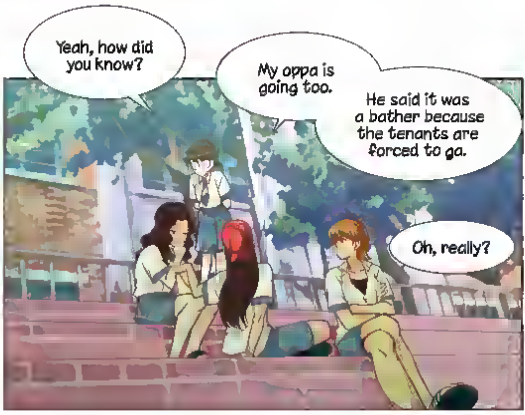


WE'RE JUST GOING TO THE SAME UNITY CAMP BY CHANCE!
What the heck? Since when were you guys there?
We were already here before you had that little fallout with SooJin.
And why should I pay you?

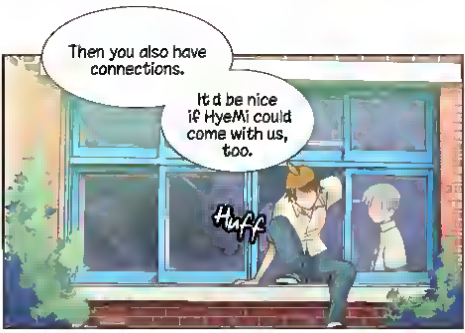
We weren't fighting.
...
I've always had an inkling about this, but ChaeRim is just so dense.
Eh? Me?
Well... Personality, I like people with thick skin...
They always do things their own way, rain or shine.
DENSE
DENSER
DENSEST
What do you mean?



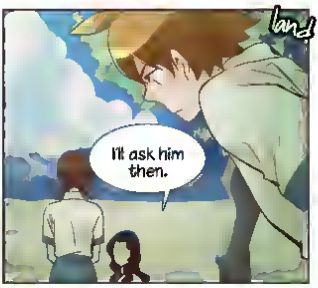
Anyways,
The Unity Camp that you guys are going to,
could it be the Unity Camp for the Golden Dragon Building?



Yeah, how did you know?
My oppa is going too.
He said it was a bather because the tenants are forced to go.
Oh, really?



Then you also have connections.
It'd be nice if HyeMi could come with us, too.
Huff



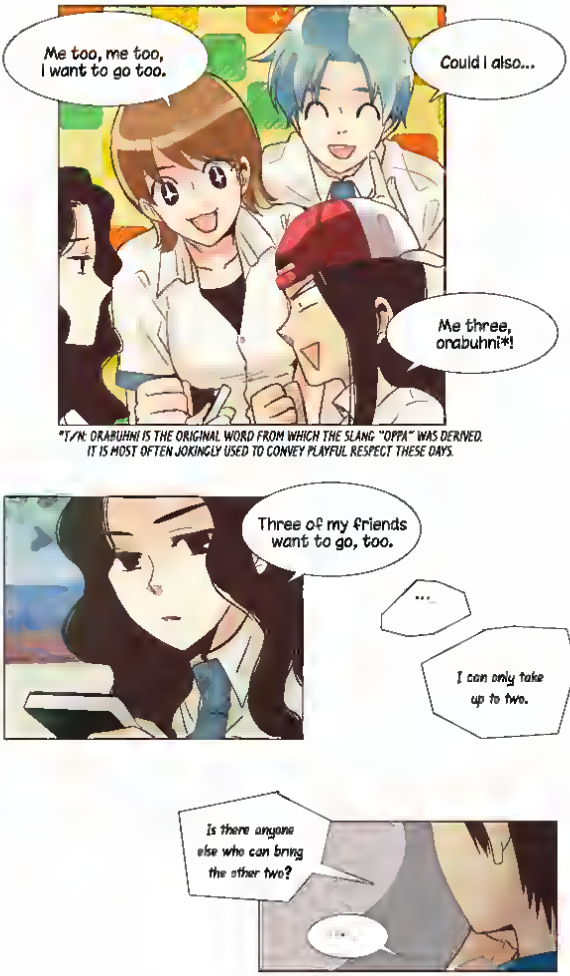
I'll ask him then.

tap tap tap

RING~

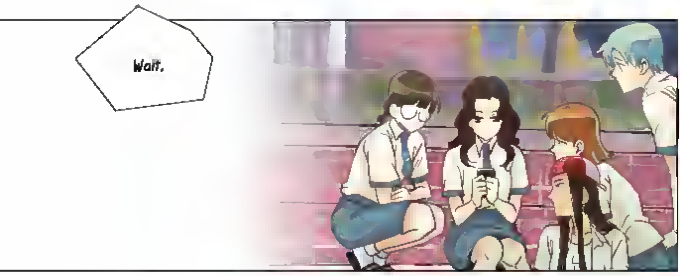
Click
Yeah, what?
Oh! He answered.

Oppa.
Yeah.
I want to go to the Unity Camp.
...Go.
Their conversation is so simple.
Aren't all siblings like that?



Me too, me too, I want to go too.
Could I also...
Me three, orabuhni*!
Three of my friends want to go, too.
...
I can only take up to two.
Is there anyone else who can bring the other two?

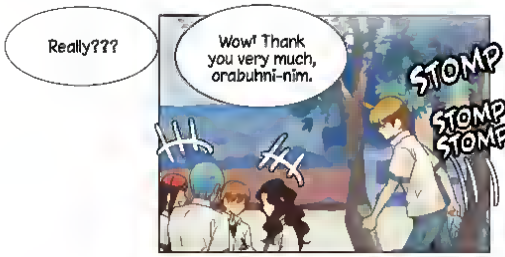
*T/N: ORABUHNI IS THE ORIGINAL WORD FROM WHICH THE SLANG "OPPA" WAS DERIVED. IT IS MOST OFTEN JOKINGLY USED TO CONVEY PLAYFUL RESPECT THESE DAYS.



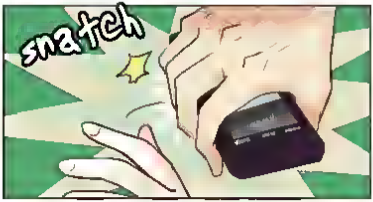
Wait.

What does your brother do for a living?
Boss...
What?
HyeMi?
I just asked.

DaeGuk hyung said he could take them.



Really???
Wow! Thank you very much, orabuhni-nim.
STOMP
STOMP STOMP



snatch

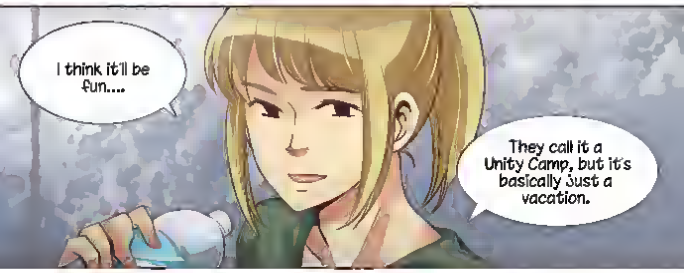
Inhale

HYUNG-SSI!
HOW COULD YOU JUST SAY YES WITHOUT THINKING ABOUT THE RESPONSIBILITY THAT TROUBLESOME HIGHSCHOOLERS ENTAIL???
SHOUT
ESPECIALLY WHEN I WAS ONLY GRUDGINGLY GIVEN PERMISSION TO GO AFTER WEEKS OF BEGGING!!
YOU SHOULD PONDER LONGER!!
HEY! SHUT UP, LETTUCE BOY!!
LET GO!!

Is it really okay to take those kids?
Probably.
Click

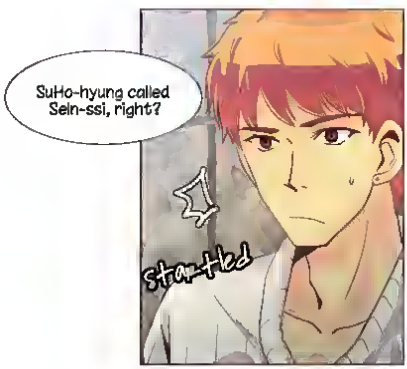
It's fine. Real troublemakers would sneak in without permission from adults.
They wouldn't ask us to take them like this.
Then you take them.
I've already made promises to take others.

A Unity Camp out of the blue....
What a bother.
We aren't leaving this studio any time soon.
So put a lid on it.



I think it'll be fun....
They call it a Unity Camp, but it's basically just a vacation.

You can always expect to find pretty ladies and dates at a beach.
Ladies?
It's plural.
Bastard.



SuHo-hyung called Sein-ssi, right?
Startled

Didn t you call her so you guys can go on a date?
No!!
You may not think so, SuHo, but...
Sein-ssi seems to be taking it the wrong way.

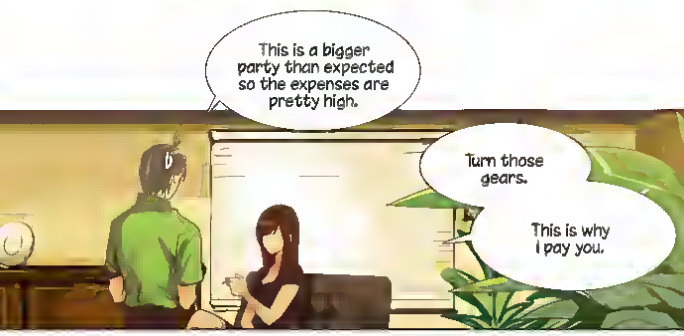
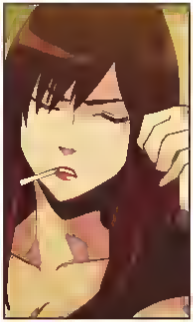
Really? Can't be helped.





Well, it's settled.

He even came to my house the other day...

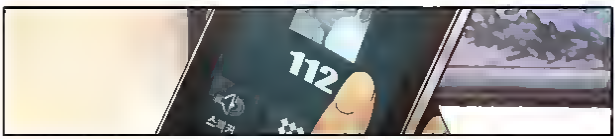
Dear, Only You Don't Know! season 2

Women, Hide Your True Selves! 7

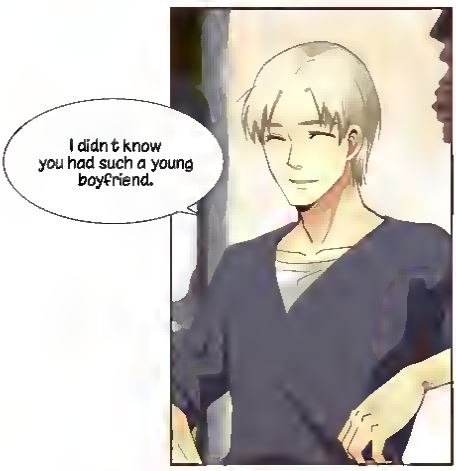
I bought some pork because it was on sale....

appear

Nunim, did you have a safe trip?
...



T/N: POLICE EMERGENCY PHONE NUMBER IN SOUTH KOREA



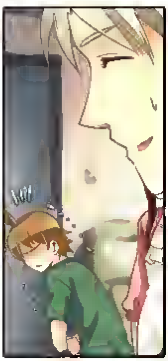
EH?? NO NO NO NO NO!!
I was kidding.
GRAB
I actually heard the whole story.
What did you tell my husband?
Eh? I just...
Told him that nunim is so strong and cool
so I really look up to you.

Would you like to experience some strong internal struggle with me today?
For some reason, I feel proud to meet a fan from your athletic days.
..... What?

Come to think of it, I even had a past like that ..
It's been so long that I forgot.

So he thinks the boy looks up to me for that?
Urg—
I guess you can say I'm a fan, but to be more accurate....

Nunim is my...
SHOOOM
SMACK!
Oh stahp it. you're making me embarrassed.
If you get punched in the pit of your stomach you will be too out of breath to speak.
trembletremble



Anyways, did you say you had a request?

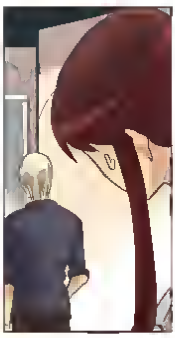
Nunim!
Please take me to the Unity Camp as well.
ache

He's sa stubborn!
If I don't do something about this kid....

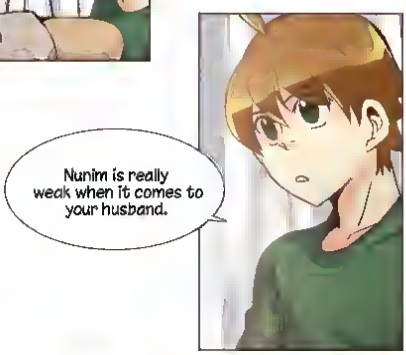
When you say Unity Camp...
Do you mean the Golden Dragon Unity Camp?
YES!!! THAT'S RIGHT.

Ohoho I've told you before, but that would be hard.
You'll first need your parents permission since you're a student...
hmmm
I've received permission.
DUN
What kind of parents are these.
We've given up on this kid. If he does not obey you, you can beat him up until he becomes human.
Can I really beat him up?
S...Still, it's a bit overwhelming when you think about everything.
I would help if I could go,
but the camp happens to clash with my business trip to England...
Of course. That's why we picked that date.

Then I'll go get some refreshments so please talk it out.
rise
YES! THANK YOU VERY MUCH!



Whew....
collapse



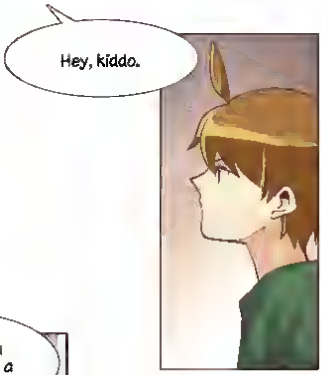
Nunim is really weak when it comes to your husband.

Sigh

So what?
Are you trying to threaten me with that?
shiver!
WHAT DO MEAN THREATEN?! A MAN DOES NO SUCH THING!!

But.....
I won't back down either.
I've really got my hands tied with this kid.
What should I do?
Should I get him to shut up by scaring him?
Or would it be better to earn his cooperation?

...



Hey, kiddo.

What do you think I do for a living?

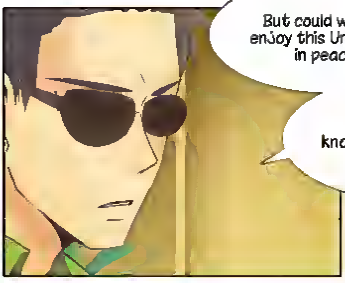
That's...

He's still a kid, but he's got potential.
I could see that he's scared, but he had no intention of backing down.
He's definitely not one to listen even if you scare him.

So you picked the cooperation strategy.

He's a neighbor so he'll probably run into my husband all the time.

Even though I'm worried that he still thinks I'm just a really super strong ajooma...



But could we really enjoy this Unity Camp in peace...

When we don't know what our opponent is planning?

Especially when it involves other civilians...

They say you usually get to know a person after spending lots of time together...

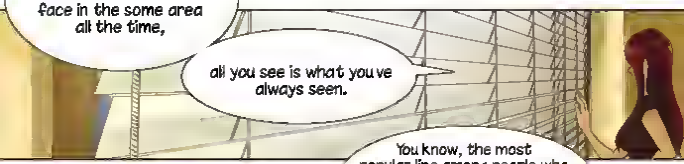
But that only applies to relationships in which no ill feelings are harbored.

In situations where you have no choice but to get along with people whether you like them or not (such as in your workplace and neighborhood),

unless you're an idiot who wants to be ostracized, it's obvious you should hide your bad personality.

So even if you come across the same face in the same area all the time,

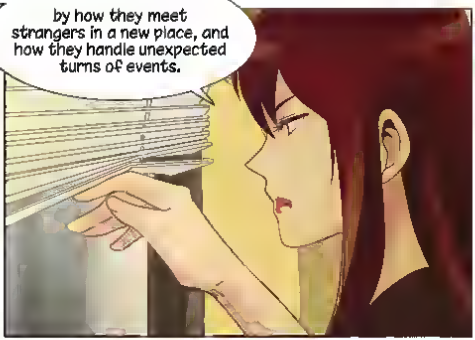
all you see is what you've always seen.



You know, the most popular line among people who were acquainted with criminals are, "I didn't know he/she was that kind of person."

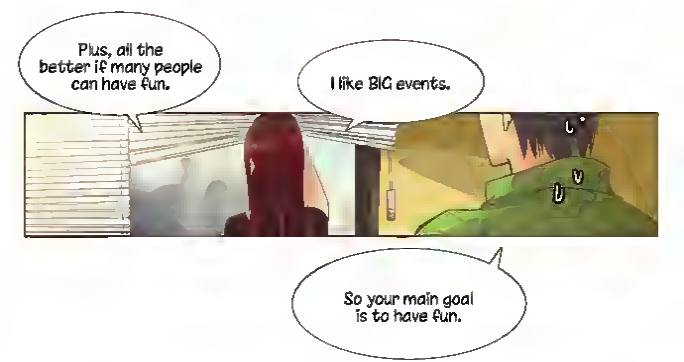
Ones true personality is revealed

by how they meet strangers in a new place, and how they handle unexpected turns of events.



But Ive heard that well-trained people can hide their true colors in any given situation.

That's why... we need to prepare a surprise.
wince



Plus, all the better if many people can have fun.
I like BIG events.
So your main goal is to have fun.

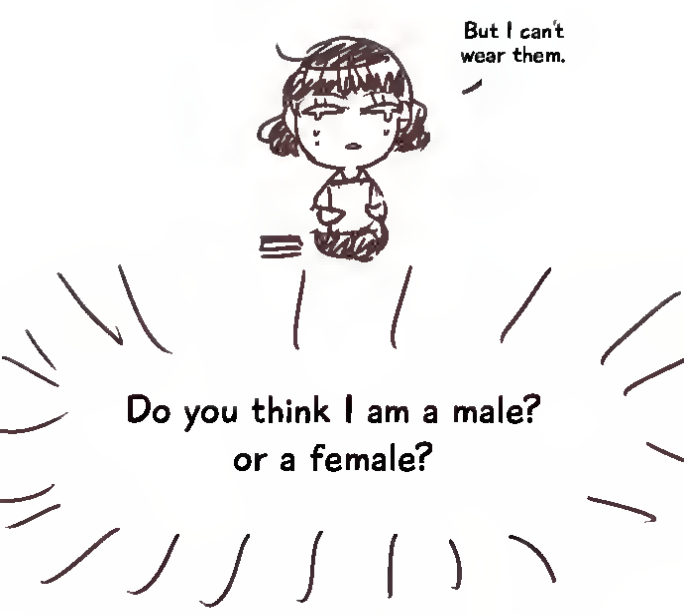
What The Readers Don't Know

Um... I couldn't really think of any ad libs today

Q Author-nim, are you male? Or female?

To give you a hint,

I like bikinis.



But I can't wear them.
Do you think I am a male? or a female?

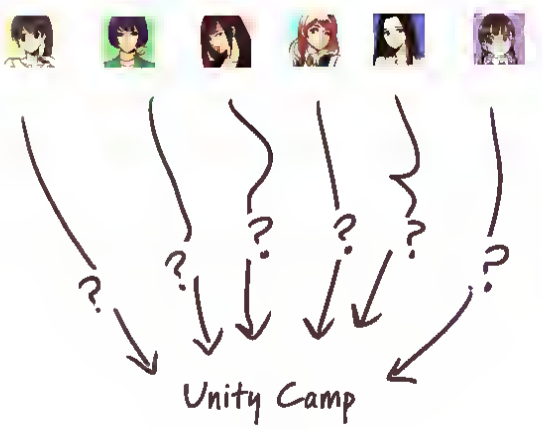
Next question.

Q You have too many themes so it's confusing. Is everything going according to a plan?

It's getting along pretty well. T T

Season 1 focuses on the 6 main characters' stories, which go in their own directions,

While in Season 2, these distinct stories are coming together with the Unity Camp as the center stage.



For those who are confused, it is highly recommended that you go back and read each individual stories collectively. Very recommended.

Read it twice. Read it thrice.

T/N: SHE MEANS TO GO BACK AND READ ALL THE "WOMEN HIDE YOUR TRUE SELVES" TOGETHER BACK-TO-BACK, THEN "WOMEN HIDE YOUR HOBBY" TOGETHER BACK-TO-BACK, ETC. ETC.

Q "Dear, Only You Don't Know!" seems like a romance, but there aren't a lot of dating scenes/stories. What exactly is the genre?

Definitely fantasy.

Boyfriends and girlfriends are all just fantastic animals.

Lovey-dovey dating does not exist in reality!!

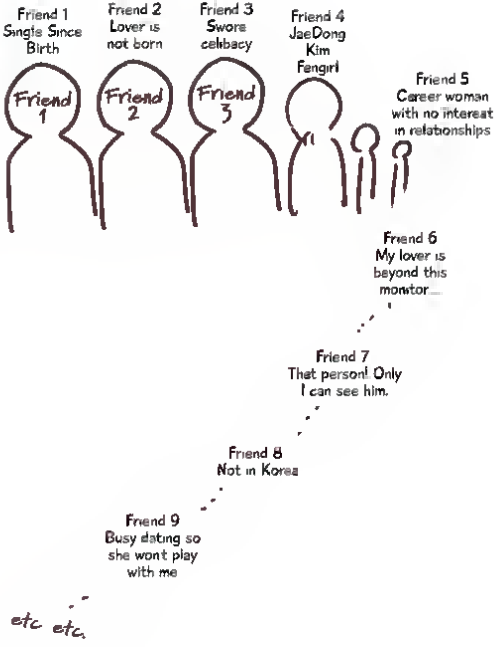
From now on, please read
Romance => Fantasy

Q What are the inspirations behind your stories?

I am unable to experience every viewpoint of every main character,

so I usually read books

or listen to my close friends' stories.



Et cetera solo or long distance or busy.

It's hard even obtaining fantasy materials...

College friend Jidore
Relatively close in distance.
Has been dating her boyfriend for almost 2 years.
Sometimes assists me when I call an SOS.

I feel so lonely all of a sudden.

Anyways, congratulations on your marriage, HanGu Kim and YeonHee Kim.

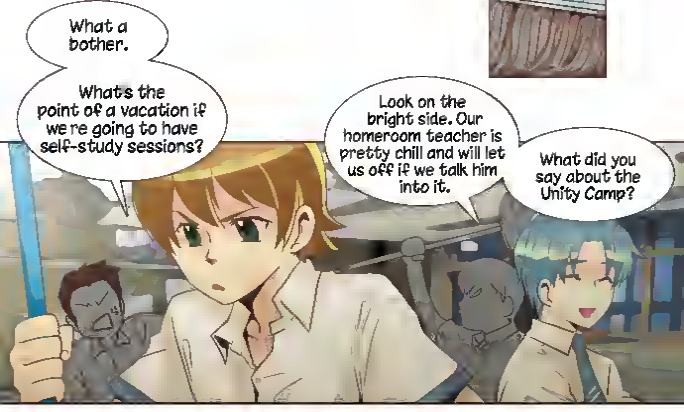
T/N WHEN CLASS FINISHES IN KOREA, STUDENTS "SALUTE" THE TEACHER BY BOWING TO HIM AND THANKING HIM FOR THE CLASS.



What a bother.
What's the point of a vacation if we're going to have self-study sessions?
Look on the bright side. Our homeroom teacher is pretty chill and will let us off if we talk him into it.
What did you say about the Unity Camp?

"I am going to become a real man by training my mind and body away from the secular society."

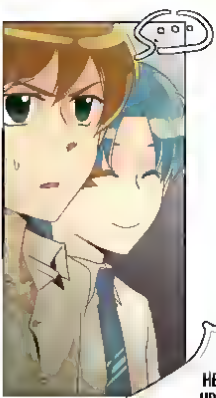
Unity Camp?

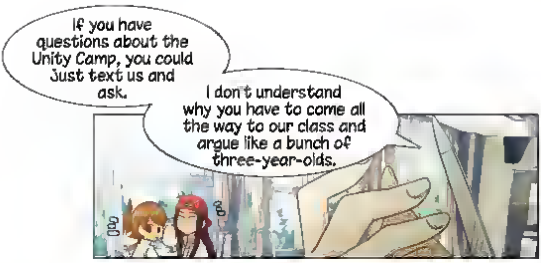


HEY! WHAT'S UP WITH YOUR CLASS MOTTO?

If we dominate you guys, who dominate the world, then we dominate the world!

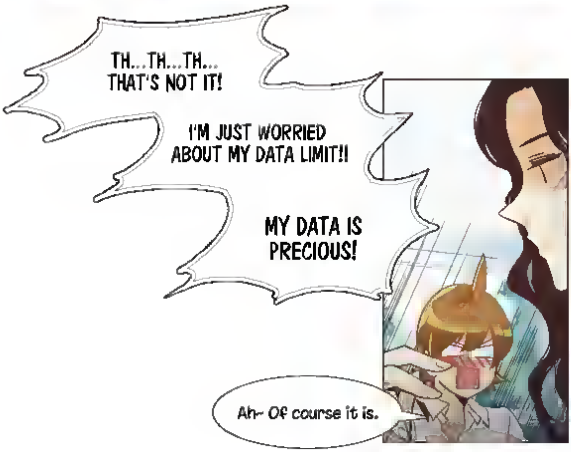
Isn't that neat?

THAT'S NOT NEAT, JUST PLAIN BRATTY!

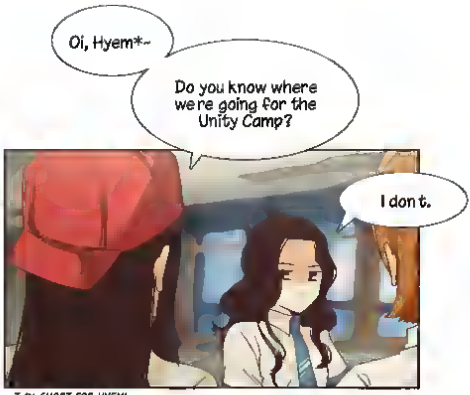


If you have questions about the Unity Camp, you could just text us and ask.
I don't understand why you have to come all the way to our class and argue like a bunch of three-year-olds.

Or are you here to see someone?

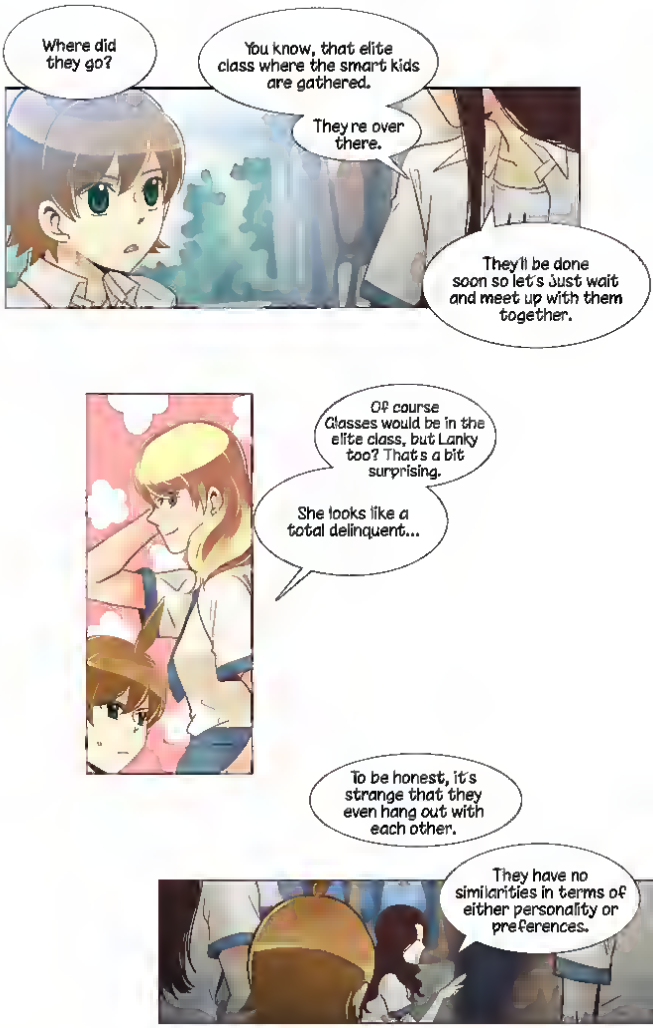


TH...TH...TH... THAT'S NOT IT!
I'M JUST WORRIED ABOUT MY DATA LIMIT!!
MY DATA IS PRECIOUS!
Ah- Of course it is.

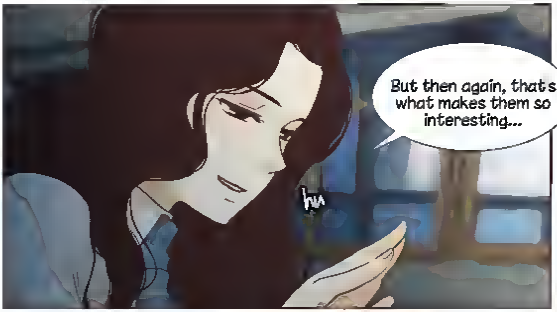


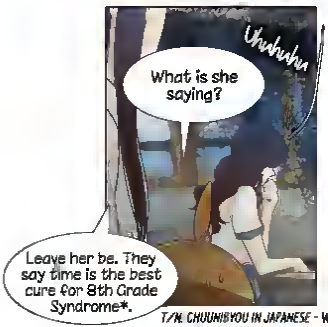
T/N. SHORT FOR HYEMI

We had a fight yesterday because of our different musical preferences.
I cannot discuss music with my brother, who doesn't know anything about rhymes.
Who said anything about discussing music with him? Just ask him about the Unity Camp.
Is it okay for us to go to the Unity Camp if the two of you fought?
Probably... He's not so cheap that he'll go back on his word.
Well, it can't be helped. I wonder if SooJin or ChaeRim knows something about the Unity Camp.



Where did they go?
You know, that elite class where the smart kids are gathered.
They're over there.
They'll be done soon so let's just wait and meet up with them together.
Of course Glasses would be in the elite class, but Lanky too? That's a bit surprising.
She looks like a total delinquent...
To be honest, it's strange that they even hang out with each other.
They have no similarities in terms of either personality or preferences.



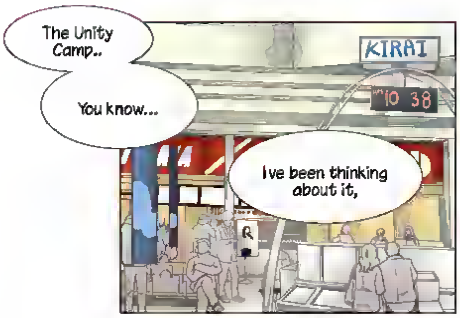


T/N: CHUUNIBYOU IN JAPANESE - WHEN MIDDLE SCHOOLERS HAVE THEIR SPURT OF DELUSION.

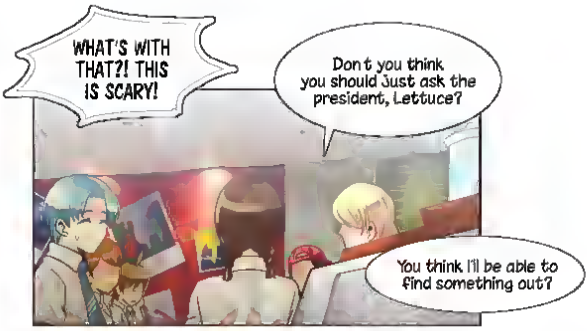
Dear, Only You Don't Know!

season 2

Women, Hide Your Hobby! 9



if we'll get to swim,
also, whether we're sleeping indoors or outdoors,
if we're cooking ourselves or eating out...
Aunt NaYoung, who'll be taking us, only knows that we're going to the beach for 3 nights and 4 days. I have no information other than what she's told me.



WHAT'S WITH THAT?! THIS IS SCARY!
Don't you think you should just ask the president, Lettuce?
You think I'll be able to find something out?

Luckily, it's not like we're traveling for one or two months.
I think all we can do now is to prepare for various possibilities.

Let's pack things that we can share together and carry evenly.
I'll prepare emergency medicine, tissues, and wet wipes.

Then I'll take emergency food supplies.

I'll be in charge of sanitary items.

I got the survival kit

I'm in charge of lighting.

I'm in charge of comedy.

That's some weird stuff you just said.

Then SooJin...

Don't count me in. I think I'd rather prepare my own things.

Then we'll leave out SooJin's share...

Fair enough?

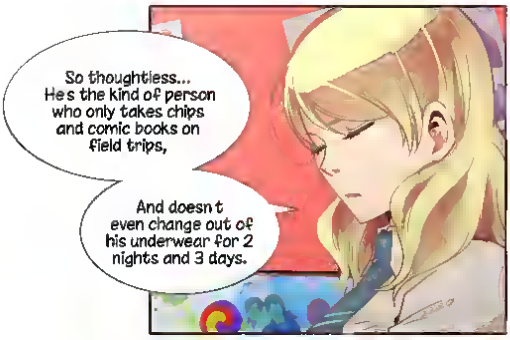
Things to pack individually...

Towels, clothes, and swimsuits. We should at least pack two sets for each of these, right?

ChaeRim - Emergency

Prince - Emer

What? Are we putting on a fashion show?
Why do we need two swimsuits? To make our load heavier?
We're just gonna get wet in the water.
Plus, you don't even need a swimsuit at the beach. All you need are shorts and a T-shirt.
You need two because it'll get wet in the water.
It's a bit better for bikinis, but do you know how hard it is to get back into a one-piece after it gets wet?
And if you're back in regular clothes after you're done swimming, the soaked swimsuit gets heavy and there's a chance it'll wet other things in your bag.



So thoughtless... He's the kind of person who only takes chips and comic books on field trips,
And doesn't even change out of his underwear for 2 nights and 3 days.

HEY!! HAVE YOU ACTUALLY SEEN ME DOING THAT?? WHAT MAKES YOU SO SURE?!
Oi!! Hyem!! Hyem!!
It's obvious even without proof.
YOU WANNA OPEN UP OUR BAGS AND SEE ON THAT DAY?
?
Do we really need two swimsuits?
ARE YOU A PERVERT? HOW DARE YOU EVEN THINK ABOUT GOING THROUGH A LADY'S BAG!

It's not like that.

take the healthiest and most able-bodied youths with you.

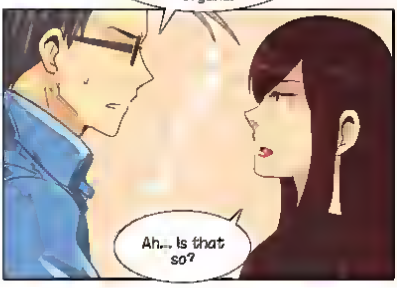
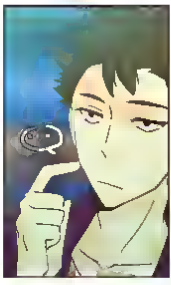
Shouldn't you choose your words carefully?

If someone out of the loop heard you, they'd think you just ordered them to grab some kids and sell their organs.



I simply meant you should take the kids who aren't prone to motion sickness so that they can push the coach if it breaks down.

I can't put my finger on it, but something's definitely wrong with Coach 3.
I am not getting on Coach 3.
Let's avoid 3.
Please, anything but number 3!!



Maybe he's not as calculating as you think.

It didn't sound like a joke though, hahaha...
I've already suspected as much during the Master incident, but she really doesn't seem normal.

What kind of job does the president do?

She just runs businesses here and there.

Small ones like a pet shop, a restaurant, a bar,
a headhunting firm, a bodyguard service company, etc.
But she also owns many other properties apart from the Golden Dragon Building, so it's not just small businesses.

Wow, the President is super rich.
She doesn't put on much air, considering that...
I can't give you all the details due to circumstances...
But the fact that she's a scary person is a definite truth.
Thank you, Captain Obvious.
She looks scary even at a glance.
But seriously, where are we going?
I'm just a lowly lackey, so I don't really know much.
but since we're taking the boat, I'm guessing we're headed to an island.

Haha, it can't possibly be like a survival program,
being stranded on a deserted island and living like a castaway?
ahaha

Oppa, your answer?
You have to tell us now.

I shouldn't give an answer to things that I cannot guarantee.

Summer Unity Camp 5

step
Inhale
IT'S THE OCEAN!!
You've been seeing it all the way here on the boat...
Tsk! Looking at the sea is different from sailing on one!

It's winter, so naturally the beach is empt...
Shush! I told you. You're not supposed to talk about things unrelated to the story's setting.
Shut it

T/N: THIS IS A SHOUT-OUT FROM THE AUTHOR TO THE KOREAN READERS WHO POKED FUN AT HOW THE SUMMER UNITY CAMP ARC STARTED IN SUMMER BUT THE CHARACTERS ONLY SET OFF FOR REAL WHEN IT'S ALREADY WINTER IN KOREA.

This is a privately-owned island that the owners rent out for a couple days to vacationers.

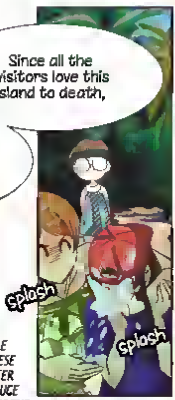
But we're the only ones here right now since we've emptied it for the Unity Camp...

Wow! That sounds so luxurious.

What's the name of the island?

Since all the visitors love this island to death,

they put the words all (pronounced sil) and die (pronounced mi) together, and call it...



T/N: MANY KOREAN WORDS AND NAMES ARE COMPOSED OF LETTERS DERIVED FROM CHINESE CHARACTERS. SINCE EACH CHINESE CHARACTER CARRIES A MEANING. WHEN KOREANS INTRODUCE WORDS WITH CHINESE ORIGIN, THEY FIRST STATE THE DEFINITION OF THE CHINESE CHARACTERS THEN ILLUSTRATE THEIR KOREAN PRONUNCIATION.

Sil.Mi.Do*

Call the maritime police, now!

I don't like the island's name! I must leave now.

What's the number?

Oh! For your information...

T/N: 'DO' MEANS ISLAND. SO THE NAME OF THE ISLAND LITERALLY MEANS 'ALL DIE ISLAND'. IT'S A PUN ON THE NAME OF THE ACTUAL SILMIDO (YES, IT EXISTS), WHICH HAS THE SAME PRONUNCIATION BUT IS WRITTEN IN DIFFERENT CHINESE CHARACTERS (THAT HAVE NOTHING AT ALL TO DO WITH 'DEATH'). THE REAL SILMIDO IS INFAMOUS FOR BEING THE HELLISH TRAINING BASE OF AN INFANTRY UNIT THAT INFILTRATED NORTH KOREA. LOOK UP "SILMODO" ON WIKIPEDIA FOR MORE INFORMATION. THERE'S ALSO A MOVIE OF THE SAME NAME BASED ON THIS HISTORY IF ANYBODY IS INTERESTED.

There is no signal here...

Dear, Only You Don't Know!

season2

Women, Hide Your Plain Face!

It's just a big room with nothing in it.
It's like those you rent out for MTs*.
Where's the bathroom?
CHATTER
CHATTER

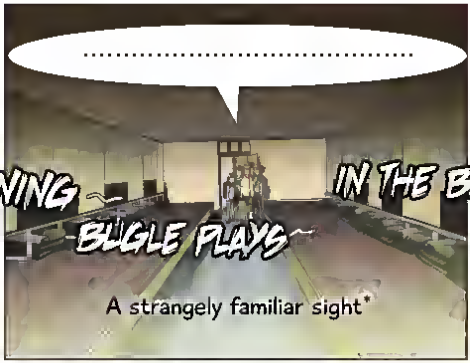
Get in here.
CHATTER
Where do we put our baggage?
T/N: 'MEMBERSHIP TRAINING' OFTEN HELD BY KOREAN COLLEGE CLUBS. EQUIVALENT TO RETREATS.
For now, ladies, please stay here.
And if you want, you are welcome to put up a tent at the campsite.
Please be responsible for your own belongings,
and if you have any problems, come to the office in the back.
Could there possibly be another room?
There are some better facilities up there,
but this is the only available female dorm for now.

Well, I knew I couldn t help getting cozy with strangers an a Unity Camp like this...
Hey, hey.
Then where is the men s room?
You mean the male dorm?
It is the building right next door, but...
I took a glance at it...
and thought most of them will probably camp out.



*T/N. THIS IS HOW THE KOREAN ARMY BARRACKS LOOK LIKE. AS SOME OF YOU MAY KNOW, ALL KOREAN MEN HAVE MANDATORY SERVICE DUTY

Im gonno go put up o tent.
Me too.
Me too.
If I sleep here I feel like I'm gonna have nightmares
I think I'm going to get cancer just from staying here.
I can almost hear the Morning Bugle playing

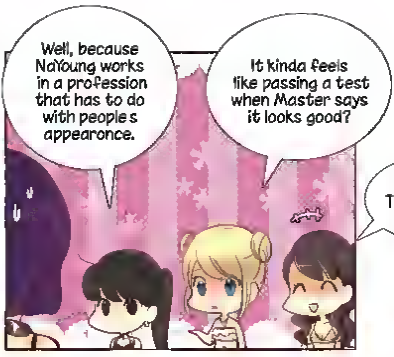
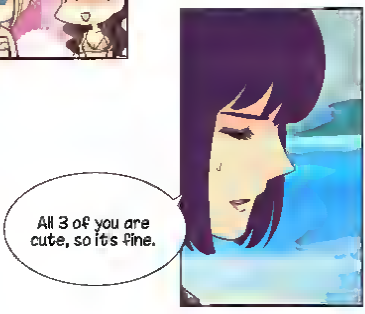
Hey NaYoung~
How is this, does it look alright?
Yes, it's pretty.
Really? That's a relief.
But Ari-ssi, could it be...
Master, Master, how about me?
How do I look?
And me? And me?
Da
Dan
Why is everyone asking me?



Well, because NaYoung works in a profession that has to do with people's appearance.
It kinda feels like passing a test when Master says it looks good?
That's right.



All 3 of you are cute, so it's fine.

Cute? That's it?
What about sexy?
We don't get to wear a bikini every day...
I even went on a diet...

Sexiness isn't just about showing more skin.
Psh
Did you just psh us?

You must reach that level...

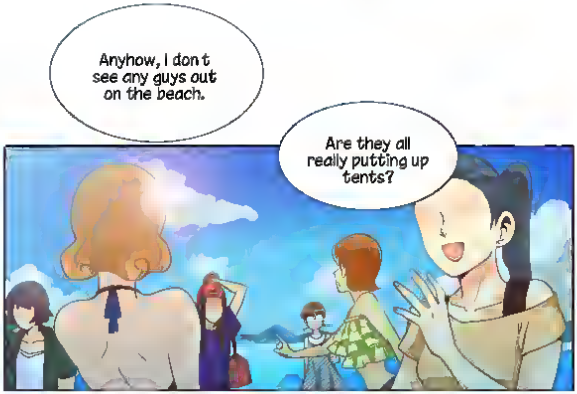
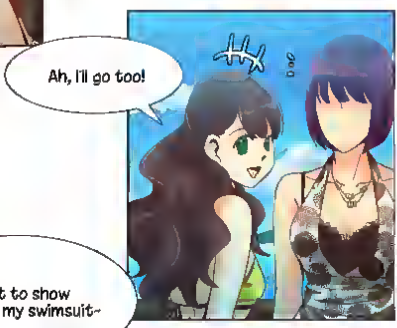
Silent admittance-



Anyhow, I don't see any guys out on the beach.
Are they all really putting up tents?

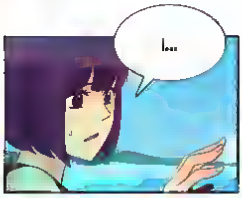
I'll go check it out real quick.
Im pretty sure SeoJin is already getting in trouble for making mistakes here and there.



Ah, I'll go too!
AHH

I want to show SuHo-ssi my swimsuit~
WINCE

AH! SEIN-SSI, WAIT!



I...

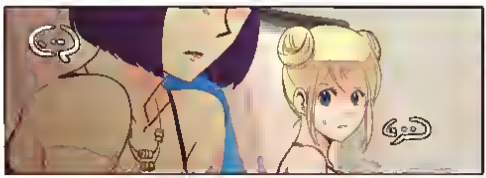
I think it would be best if Sein-ssi covered up a bit.

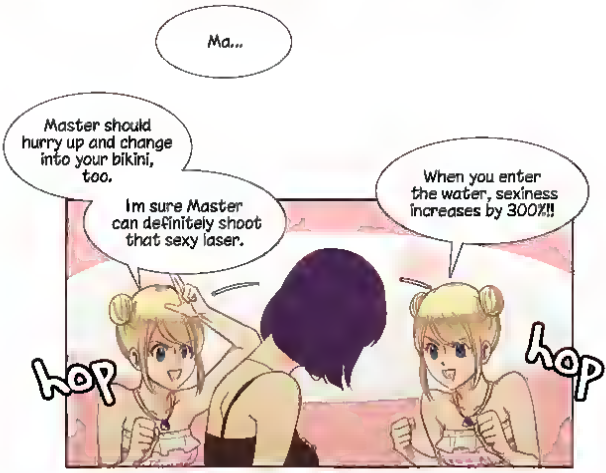
Ah!! Really? Is it a bit too much?
Hold on.
She just covered her up entirely
She looks awkward and fat.
Why did I???!!
Maybe we should just go back to...

Thank you.
Na'young-ssi really is the best.
Smile

Guilt

Then, I'll be back.





Ma...
Master should hurry up and change into your bikini, too.
Im sure Master can definitely shoot that sexy laser.
When you enter the water, sexiness increases by 300%!!

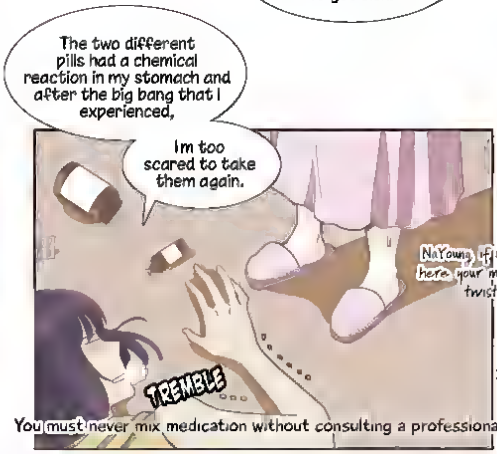
Today is the day the great Goddess of Nature descends.
gloom

Last time, I had a chance to go to Guam so I took pills in advance...
And I took them with some meds for colds because I was starting to get sick.



The two different pills had a chemical reaction in my stomach and after the big bang that I experienced,
I'm too scared to take them again.
NaYoung, if you sleep here your mouth will twist*
TREMBLE

*T/N IT'S A COMMON SAYING IN KOREA THAT IF YOU SLEEP IN A COLD PLACE YOUR MOUTH WILL TWIST IT'S A REFERENCE TO FACIAL NERVE PALSY OR IN OTHER WORDS, PARALYSIS OF THE FACE.

You must never mix medication without consulting a professional

I'm sorry.
It sucks having it when there're so many people around.
And you don't even get to have fun when you're on a trip...
It's alright.
And in my case, my cramps are not that bad.
It's also better for my depression if I go outside instead of staying home all the time.
Still, I can't do anything about constantly worrying about leaking.
Do not warry.
I shall keep a very careful watch on Master's butt.
That's even creepier.

Please just leave me be.

At the time when I rejected SuHo-ssi... What I wanted,
What I should do... I thought I knew the answers.
But now, I don't know anything.
